Dear Mr. /Ms.:

1. The Government of the People's Republic of Bangladesh (hereinafter called "Borrower") has received financing from the International Development Association (IDA) (the "Bank") in the form of a credit (hereinafter called "credit" toward the cost of Bangabandhu Sheikh Mujib Shilpa Nagar (BSMSN) Development Project Bangladesh-PRIDE (P170688). The Bangladesh Economic Zones Authority, an implementing agency of the Client, intends to apply a portion of the proceeds of this [loan/credit] to eligible payments under the contract for which this Request for Proposals is issued. Payments by the Bank will be made only at the request of the Client and upon approval by the Bank, and will be subject, in all respects, to the terms and conditions of the financing agreement. The financing agreement prohibits a withdrawal from the credit account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of the Bank, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than the Client shall derive any rights from the financing agreement or have any claims to the proceeds of the Credit. "For this contract, the Borrower shall process the payments using the Direct Payment disbursement method, as defined in the World Bank's Disbursement Guidelines for Investment Project Financing."
2. The Client now invites proposals to provide the following consulting services (hereinafter called "Services"): Feasibility for establishing desalination plant at BSMSN (Package No.: PMC-8A-BSMSN-BEZA). More details on the Services are provided in the Terms of Reference (Section 7).

2. Introduction

- 2.1 The Client named in the **Data Sheet** intends to select a Consultant from those listed in the Request for Proposals (RFP), in accordance with the method of selection specified in the **Data Sheet**.
- 2.2 The shortlisted Consultants are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the **Data Sheet**, for consulting services required for the assignment named in the **Data Sheet**. The Proposal will be the basis for negotiating and ultimately signing the Contract with the selected Consultant.
- 2.3 The Consultants should familiarize themselves with the local conditions and take them into account in preparing

their Proposals, including attending a pre-proposal conference if one is specified in the **Data Sheet**. Attending any such pre-proposal conference is optional and is at the Consultants' expense.

- 2.4 The Client will timely provide, at no cost to the Consultants, the inputs, relevant project data, and reports required for the preparation of the Consultant's Proposal as specified in the **Data Sheet**.

3. Conflict of Interest

- 3.1 The Consultant is required to provide professional, objective, and impartial advice, at all times holding the Client's interests paramount, strictly avoiding conflicts with other assignments or its own corporate interests, and acting without any consideration for future work.

- 3.2 The Consultant has an obligation to disclose to the Client any situation of actual or potential conflict that impacts its capacity to serve the best interest of its Client. Failure to disclose such situations may lead to the disqualification of the Consultant or the termination of its Contract and/or sanctions by the Bank.

- 3.2.1 Without limitation on the generality of the foregoing, the Consultant shall not be hired under the circumstances set forth below:

a. Conflicting Activities

- (i) Conflict between consulting activities and procurement of goods, works or non-consulting services: a firm that has been engaged by the Client to provide goods, works, or non-consulting services for a project, or any of its Affiliates, shall be disqualified from providing consulting services resulting from or directly related to those goods, works, or non-consulting services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, or any of its Affiliates, shall be disqualified from subsequently providing goods or works or non-consulting services resulting from or directly related to the consulting services for such preparation or implementation.

b. Conflicting Assignments

- (ii) Conflict among consulting assignments: a Consultant (including its Experts and Sub-consultants) or any of its Affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant for the same or for another Client.

9

c. Conflicting Relationships

- (iii) Relationship with the Client's staff: a Consultant (including its Experts and Sub-consultants) that has a close business or family relationship with a professional staff of the Borrower (or of the Client, or of implementing agency, or of a recipient of a part of the Bank's financing) who are directly or indirectly involved in any part of (i) the preparation of the Terms of Reference for the assignment, (ii) the selection process for the Contract, or (iii) the supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Bank throughout the selection process and the execution of the Contract.

4. Unfair Competitive Advantage

- 4.1 Fairness and transparency in the selection process require that the Consultants or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question. To that end, the Client shall indicate in the **Data Sheet** and make available to all shortlisted Consultants together with this RFP all information that would in that respect give such Consultant any unfair competitive advantage over competing Consultants.

5. Fraud and Corruption

- 5.1 The Bank requires compliance with the Bank's Anti-Corruption Guidelines and its prevailing sanctions policies and procedures as set forth in the WBG's Sanctions Framework, as set forth in Section 6.
- 5.2 In further pursuance of this policy, Consultants shall permit and shall cause their agents (where declared or not), subcontractors, subconsultants, service providers, suppliers, and personnel, to permit the Bank to inspect all accounts, records and other documents relating to any shortlisting process, Proposal submission, and contract performance (in the case of award), and to have them audited by auditors appointed by the Bank.

6. Eligibility

- 6.1 The Bank permits consultants (individuals and firms, including Joint Ventures and their individual members) from all countries to offer consulting services for Bank-financed projects.
- 6.2 Furthermore, it is the Consultant's responsibility to ensure that its Experts, joint venture members, Sub-consultants, agents (declared or not), sub-contractors, service providers,

suppliers and/or their employees meet the eligibility requirements as established by the Bank in the applicable Procurement Regulations.

6.3 As an exception to the foregoing ITC 6.1 and ITC 6.2 above:

a. Sanctions

6.3.1 A Consultant that has been sanctioned by the Bank, pursuant to the Bank's Anti-Corruption Guidelines and in accordance with its prevailing sanctions policies and procedures as set forth in the WBG's Sanctions Framework as described in Section VI, Fraud and Corruption, paragraph 2.2 d., shall be ineligible to be shortlisted for, submit proposals for, or be awarded a Bank-financed contract or benefit from a Bank-financed contract, financially or otherwise, during such period of time as the Bank shall have determined. The list of debarred firms and individuals is available at the electronic address specified **in the PDS**.

b. Prohibitions

6.3.2 Firms and individuals of a country or goods manufactured in a country may be ineligible if so indicated in Section 5 (Eligible Countries) and:

- (a) as a matter of law or official regulations, the Borrower's country prohibits commercial relations with that country, provided that the Bank is satisfied that such exclusion does not preclude effective competition for the provision of Services required; or
- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Borrower's Country prohibits any import of goods from that country or any payments to any country, person, or entity in that country.

c. Restrictions for State-Owned Enterprises

6.3.3 State-owned enterprises or institutions in the Borrower's country may be eligible to compete and be awarded a contract only if they can establish, in a manner acceptable to the Bank, that they: (i) are legally and financially autonomous, (ii) operate under commercial law, and (iii) are not under supervision of the Client.

9

d. Restrictions for Public Employees

6.3.4 Government officials and civil servants of the Borrower's country are not eligible to be included as Experts, individuals, or members of a team of Experts in the Consultant's Proposal unless:

- (i) the services of the government official or civil servant are of a unique and exceptional nature, or their participation is critical to project implementation; and
- (ii) their hiring would not create a conflict of interest, including any conflict with employment or other laws, regulations, or policies of the Borrower.

e. Borrower Debarment

6.3.5 A firm that is under a sanction of debarment by the Borrower from being awarded a contract is eligible to participate in this procurement, unless the Bank, at the Borrower's request, is satisfied that the debarment; (a) relates to fraud or corruption, and (b) followed a judicial or administrative proceeding that afforded the firm adequate due process.

B. Preparation of Proposals**7. General Considerations**

7.1 In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.

8. Cost of Preparation of Proposal

8.1 The Consultant shall bear all costs associated with the preparation and submission of its Proposal, and the Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Client is not bound to accept any proposal, and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultant.

9. Language

9.1 The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and the Client, shall be written in the language(s) specified in the **Data Sheet**.

10. Documents Comprising the Proposal

10.1 The Proposal shall comprise the documents and forms listed in the **Data Sheet**.

10.2 If specified in the **Data Sheet**, the Consultant shall include a statement of an undertaking of the Consultant to observe, in competing for and executing a contract, the Client country's laws against fraud and corruption (including bribery).

10.3 The Consultant shall furnish information on commissions, gratuities, and fees, if any, paid or to be paid to agents or any other party relating to this Proposal and, if awarded, Contract execution, as requested in the Financial Proposal submission form (Section 4).

11. Only One Proposal

11.1 The Consultant (including the individual members of any Joint Venture) shall submit only one Proposal, either in its own name or as part of a Joint Venture in another Proposal. If a Consultant, including any Joint Venture member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude a Sub-consultant, or the Consultant's staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify and if stated in the **Data Sheet**.

12. Proposal Validity

12.1 Proposals shall remain valid until the date specified in the **Data Sheet** or any extended date if amended by the Client in accordance with ITC 13.1.1.

12.2 During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total price.

12.3 If it is established that any Key Expert nominated in the Consultant's Proposal was not available at the time of Proposal submission or was included in the Proposal without his/her confirmation, such Proposal shall be disqualified and rejected for further evaluation, and may be subject to sanctions in accordance with ITC 5.

a. Extension of Proposal Validity

12.4 The Client will make its best effort to complete the negotiations and award the contract prior to the date of expiry of the Proposal validity. However, should the need arise, the Client may request, in writing, all Consultants who submitted Proposals prior to the submission deadline to extend the Proposals' validity.

12.5 If the Consultant agrees to extend the validity of its Proposal, it shall be done without any change in the original

9

Proposal and with the confirmation of the availability of the Key Experts, except as provided in ITC 12.7.

12.6 The Consultant has the right to refuse to extend the validity of its Proposal in which case such Proposal will not be further evaluated.

b. Substitution of Key Experts at Validity Extension

12.7 If any of the Key Experts become unavailable for the extended validity period, the Consultant shall seek to substitute another Key Expert. The Consultant shall provide a written adequate justification and evidence satisfactory to the Client together with the substitution request. In such case, a substitute Key Expert shall have equal or better qualifications and experience than those of the originally proposed Key Expert. The technical evaluation score, however, will remain to be based on the evaluation of the CV of the original Key Expert.

12.8 If the Consultant fails to provide a substitute Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to the Client, such Proposal will be rejected.

c. Sub-Contracting

12.9 The Consultant shall not subcontract the whole of the Services.

13. Clarification and Amendment of RFP

13.1 The Consultant may request a clarification of any part of the RFP during the period indicated in the **Data Sheet** before the Proposals' submission deadline. Any request for clarification must be sent in writing, or by standard electronic means, to the Client's address indicated in the **Data Sheet**. The Client will respond in writing, or by standard electronic means, and will send written copies of the response (including an explanation of the query but without identifying its source) to all shortlisted Consultants. Should the Client deem it necessary to amend the RFP as a result of a clarification, it shall do so following the procedure described below:

13.1.1 At any time before the proposal submission deadline, the Client may amend the RFP by issuing an amendment in writing or by standard electronic means. The amendment shall be sent to all shortlisted Consultants and will be binding on them. The shortlisted Consultants shall acknowledge receipt of all amendments in writing.

13.1.2 If the amendment is substantial, the Client may extend the proposal submission deadline to give

the shortlisted Consultants reasonable time to take an amendment into account in their Proposals.

- 13.2 The Consultant may submit a modified Proposal or a modification to any part of it at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline.

14. Preparation of Proposals Specific Considerations

- 14.1 While preparing the Proposal, the Consultant must give particular attention to the following:

14.1.1 If a shortlisted Consultant considers that it may enhance its expertise for the assignment by associating with other consultants in the form of a Joint Venture or as Sub-consultants, it may do so with either (a) non-shortlisted Consultant(s), or (b) shortlisted Consultants if permitted in the **Data Sheet**. In all such cases a shortlisted Consultant must obtain the written approval of the Client prior to the submission of the Proposal. When associating with non-shortlisted firms in the form of a joint venture or a sub-consultancy, the shortlisted Consultant shall be a lead member. If shortlisted Consultants associate with each other, any of them can be a lead member.

14.1.2 The Client may indicate in the **Data Sheet** the estimated Key Experts' time input (expressed in person-month) or the Client's estimated total cost of the assignment, but not both. This estimate is indicative and the Proposal shall be based on the Consultant's own estimates for the same.

14.1.3 If stated in the **Data Sheet**, the Consultant shall include in its Proposal at least the same time input (in the same unit as indicated in the **Data Sheet**) of Key Experts, failing which the Financial Proposal will be adjusted for the purpose of comparison of proposals and decision for award in accordance with the procedure in the **Data Sheet**.

14.1.4 For assignments under the Fixed-Budget selection method, the estimated Key Experts' time input is not disclosed. Total available budget, with an indication whether it is inclusive or exclusive of taxes, is given in the **Data Sheet**, and the Financial Proposal shall not exceed this budget.

9

**15. Technical
Proposal Format
and Content**

15.1 The Technical Proposal shall be prepared using the Standard Forms provided in Section 3 of the RFP and shall comprise the documents listed in the **Data Sheet**. The Technical Proposal shall not include any financial information. A Technical Proposal containing material financial information shall be declared non-responsive.

15.1.1 Consultant shall not propose alternative Key Experts. Only one CV shall be submitted for each Key Expert position. Failure to comply with this requirement will make the Proposal non-responsive.

15.2 Depending on the nature of the assignment, the Consultant is required to submit a Full Technical Proposal (FTP), or a Simplified Technical Proposal (STP) as indicated in the **Data Sheet** and using the Standard Forms provided in Section 3 of the RFP.

**16. Financial
Proposal**

16.1 The Financial Proposal shall be prepared using the Standard Forms provided in Section 4 of the RFP. It shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) reimbursable expenses indicated in the **Data Sheet**.

**a. Price
Adjustment**

16.2 For assignments with a duration exceeding 18 months, a price adjustment provision for foreign and/or local inflation for remuneration rates applies if so stated in the **Data Sheet**.

b. Taxes

16.3 The Consultant and its Sub-consultants and Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the **Data Sheet**. Information on taxes in the Client's country is provided in the **Data Sheet**.

**c. Currency of
Proposal**

16.4 The Consultant may express the price for its Services in the currency or currencies as stated in the **Data Sheet**. If indicated in the **Data Sheet**, the portion of the price representing local cost shall be stated in the national currency.

**d. Currency of
Payment**

16.5 Payment under the Contract shall be made in the currency or currencies in which the payment is requested in the Proposal.

C. Submission, Opening and Evaluation

17. Submission, Scaling, and Marking of Proposals

- 17.1 The Consultant shall submit a signed and complete Proposal comprising the documents and forms in accordance with ITC 10 (Documents Comprising Proposal). Consultants shall mark as "CONFIDENTIAL" information in their Proposals which is confidential to their business. This may include proprietary information, trade secrets or commercial or financially sensitive information. The submission can be done by mail or by hand. If specified in the **Data Sheet**, the Consultant has the option of submitting its Proposals electronically.
- 17.2 An authorized representative of the Consultant shall sign the original submission letters in the required format for both the Technical Proposal and, if applicable, the Financial Proposal and shall initial all pages of both. The authorization shall be in the form of a written power of attorney attached to the Technical Proposal.
- 17.2.1 A Proposal submitted by a Joint Venture shall be signed by all members so as to be legally binding on all members, or by an authorized representative who has a written power of attorney signed by each member's authorized representative.
- 17.3 Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Proposal.
- 17.4 The signed Proposal shall be marked "ORIGINAL", and its copies marked "COPY" as appropriate. The number of copies is indicated in the **Data Sheet**. All copies shall be made from the signed original. If there are discrepancies between the original and the copies, the original shall prevail.
- 17.5 The original and all the copies of the Technical Proposal shall be placed inside a sealed envelope clearly marked "TECHNICAL PROPOSAL", "[Name of the Assignment]", [reference number], [name and address of the Consultant], and with a warning "DO NOT OPEN UNTIL [INSERT THE DATE AND THE TIME OF THE TECHNICAL PROPOSAL SUBMISSION DEADLINE]."
- 17.6 Similarly, the original Financial Proposal (if required for the applicable selection method) and its copies shall be placed inside of a separate sealed envelope clearly marked "FINANCIAL PROPOSAL" "[Name of the Assignment],
- 

[reference number], [name and address of the Consultant]", and with a warning "**DO NOT OPEN WITH THE TECHNICAL PROPOSAL.**"

- 17.7 The sealed envelopes containing the Technical and Financial Proposals shall be placed into one outer envelope and sealed. This outer envelope shall be addressed to the Client and bear the submission address, RFP reference number, the name of the assignment, the Consultant's name and the address, and shall be clearly marked "Do Not Open Before [insert the time and date of the submission deadline indicated in the **Data Sheet**]".
- 17.8 If the envelopes and packages with the Proposal are not sealed and marked as required, the Client will assume no responsibility for the misplacement, loss, or premature opening of the Proposal.
- 17.9 The Proposal or its modifications must be sent to the address indicated in the **Data Sheet** and received by the Client no later than the deadline indicated in the **Data Sheet**, or any extension to this deadline. Any Proposal or its modification received by the Client after the deadline shall be declared late and rejected, and promptly returned unopened.

18. Confidentiality

- 18.1 From the time the Proposals are opened to the time the Contract is awarded, the Consultant should not contact the Client on any matter related to its Technical and/or Financial Proposal. Information relating to the evaluation of Proposals and award recommendations shall not be disclosed to the Consultants who submitted the Proposals or to any other party not officially concerned with the process, until the Notification of Intention to Award the Contract. Exceptions to this ITC are where the Client notifies Consultants of the results of the evaluation of the Technical Proposals.
- 18.2 Any attempt by shortlisted Consultants or anyone on behalf of the Consultant to influence improperly the Client in the evaluation of the Proposals or Contract award decisions may result in the rejection of its Proposal, and may be subject to the application of prevailing Bank's sanctions procedures.
- 18.3 Notwithstanding the above provisions, from the time of the Proposals' opening to the time of Contract award publication, if a Consultant wishes to contact the Client or

the Bank on any matter related to the selection process, it shall do so only in writing.

**19. Opening of
Technical
Proposals**

19.1 The Client's evaluation committee shall conduct the opening of the Technical Proposals in the presence of the shortlisted Consultants' authorized representatives who choose to attend (in person, or online if this option is offered in the **Data Sheet**). The opening date, time and the address are stated in the **Data Sheet**. The envelopes with the Financial Proposal shall remain sealed and shall be securely stored with a reputable public auditor or independent authority until they are opened in accordance with ITC 23.

19.2 At the opening of the Technical Proposals the following shall be read out: (i) the name and the country of the Consultant or, in case of a Joint Venture, the name of the Joint Venture, the name of the lead member and the names and the countries of all members; (ii) the presence or absence of a duly sealed envelope with the Financial Proposal; (iii) any modifications to the Proposal submitted prior to proposal submission deadline; and (iv) any other information deemed appropriate or as indicated in the **Data Sheet**.

**20. Proposals
Evaluation**

20.1 Subject to provision of ITC 15.1, the evaluators of the Technical Proposals shall have no access to the Financial Proposals until the Financial Proposals are opened.

20.2 The Consultant is not permitted to alter or modify its Proposal in any way after the proposal submission deadline except as permitted under ITC 12.7. While evaluating the Proposals, the Client will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.

**21. Evaluation of
Technical
Proposals**

21.1 The Client's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the **Data Sheet**. Each responsive Proposal will be given a technical score. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP or if it fails to achieve the minimum technical score indicated in the **Data Sheet**.

**22. Notification of
Results of**

22.1 Following ranking of the Technical Proposals and determination of the proposal that has achieved the highest technical score, the Client shall notify in writing the highest

ranking Consultant of its technical score and that its Technical Proposal has been evaluated as the highest ranking.

- 22.2 The Client shall simultaneously notify in writing the other Consultants: (i) on their overall technical score, as well as scores obtained for each criterion and sub-criterion, and that their technical proposals have not been evaluated as the highest ranked; and (ii) that their Financial Proposals will be returned unopened after completing the selection process and Contract signing.
- 22.3 If Financial Proposals were invited together with the Technical Proposals, the Client shall notify all of the Consultants that submitted proposals of the date, time and location of the public opening of the Financial Proposals of the highest ranking Consultant. If Financial Proposals were not invited to be submitted along with the Technical Proposals, opening of Financial Proposals does not apply, and the highest ranking Consultant shall be invited to submit its Financial Proposals for negotiations.
- 22.4 The opening date of the Financial Proposal or invitation of the highest ranking Consultant to submit its Financial Proposal, as applicable, shall not be earlier than ten (10) Business Days from the date of notification of the results of the technical evaluation, described in ITC 22.1 and 22.2. However, if the Client receives a complaint on the results of the technical evaluation within the ten (10) Business Days, the opening date or the date to invite submission of Financial Proposal, as applicable, shall be subject to ITC 35.1.

**23. Public Opening of
Financial
Proposals (for
QCBS, FBS, and
LCS methods)**

- 23.1 After the technical evaluation is completed, the Client shall notify in writing those Consultants whose Proposals were considered non-responsive to the RFP and TOR or did not meet the minimum qualifying technical score, advising them the following:
- (i) their Proposal was not responsive to the RFP and TOR or did not meet the minimum qualifying technical score;
 - (ii) provide information relating to the Consultant's overall technical score, as well as scores obtained for each criterion and sub-criterion;

- (iii) their Financial Proposals will be returned unopened after completing the selection process and Contract signing; and
 - (iv) notify them of the date, time and location of the public opening of the Financial Proposals.
- 23.2 The Client shall simultaneously notify in writing those Consultants whose Proposals were considered responsive to the RFP and TOR, and that have achieved the minimum qualifying technical score, advising them the following:
 - (i) their Proposal was responsive to the RFP and TOR and met the minimum qualifying technical score;
 - (ii) provide information relating to the Consultant's overall technical score, as well as scores obtained for each criterion and sub-criterion;
 - (iii) their Financial Proposal will be opened at the public opening of Financial Proposals; and
 - (iv) notify them of the date, time and location of the public opening and invite them for the opening of the Financial Proposals.
- 23.3 The opening date shall not be earlier than ten (10) Business Days from the date of notification of the results of the technical evaluation, described in ITC 23.1 and 23.2. However, if the Client receives a complaint on the results of the technical evaluation within the ten (10) Business Days, the opening date shall be subject to ITC 35.1.
- 23.4 The Consultant's attendance at the opening of the Financial Proposals (in person, or online if such option is indicated in the **Data Sheet**) is optional and is at the Consultant's choice.
- 23.5 The Financial Proposals shall be opened publicly by the Client's evaluation committee in the presence of the representatives of the Consultants and anyone else who chooses to attend. Any interested party who wishes to attend this public opening should contact the client as indicated in the **Data Sheet**. Alternatively, a notice of the public opening of Financial Proposals may be published on the Client's website, if available. At the opening, the names of the Consultants, and the overall technical scores, including the break-down by criterion, shall be read aloud. The Financial Proposals will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded. Copies of the record shall

9

be sent to all Consultants who submitted Proposals and to the Bank.

24. Correction of Errors

24.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.

a. Time-Based Contracts

24.1.1 If a Time-Based contract form is included in the RFP, the Client's evaluation committee will (a) correct any computational or arithmetical errors, and (b) adjust the prices if they fail to reflect all inputs included for the respective activities or items included in the Technical Proposal. In case of discrepancy between (i) a partial amount (sub-total) and the total amount, or (ii) between the amount derived by multiplication of unit price with quantity and the total price, or (iii) between words and figures, the former will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and the Client's evaluation committee shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.

b. Lump-Sum Contracts

24.1.2 If a Lump-Sum contract form is included in the RFP, the Consultant is deemed to have included all prices in the Financial Proposal, so neither arithmetical corrections nor price adjustments shall be made. The total price, net of taxes understood as per ITC 25, specified in the Financial Proposal (Form FIN-1) shall be considered as the offered price. Where there is a discrepancy between the amount in words and the amount figures, the amount in words shall prevail.

25. Taxes

25.1 The Client's evaluation of the Consultant's Financial Proposal shall exclude taxes and duties in the Client's country in accordance with the instructions in the **Data Sheet**.

- 26. Conversion to Single Currency**
- 26.1 For the evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the **Data Sheet**.
- 27. Combined Quality and Cost Evaluation**
- a. Quality and Cost-Based Selection (QCBS)**
- 27.1 In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the **Data Sheet**. The Consultant with the Most Advantageous Proposal, which is the Proposal that achieves the highest combined technical and financial scores, will be invited for negotiations.
- b. Fixed-Budget Selection (FBS)**
- 27.2 In the case of FBS, those Proposals that exceed the budget indicated in ITC 14.1.4 of the **Data Sheet** shall be rejected.
- 27.3 The Client will select the Consultant with the Most Advantageous Proposal, which is the highest-ranked Technical Proposal that does not exceed the budget indicated in the RFP, and invite such Consultant to negotiate the Contract.
- c. Least-Cost Selection**
- 27.4 In the case of Least-Cost Selection (LCS), the Client will select the Consultant with the Most Advantageous Proposal, which is the Proposal with the lowest evaluated total price among those Proposals that achieved the minimum qualifying technical score, and invite such a Consultant to negotiate the Contract.

D. Negotiations and Award

- 28. Negotiations**
- 28.1 The negotiations will be held at the date and address indicated in the Data Sheet with the Consultant's representative(s) who must have written power of attorney to negotiate and sign a Contract on behalf of the Consultant.
- 28.2 The Client shall prepare minutes of negotiations that are signed by the Client and the Consultant's authorized representative.
- a. Availability of Key Experts**
- 28.3 The invited Consultant shall confirm the availability of all Key Experts included in the Proposal as a pre-requisite to the negotiations, or, if applicable, a replacement in accordance with ITC 12. Failure to confirm the Key

Experts' availability may result in the rejection of the Consultant's Proposal and the Client proceeding to negotiate the Contract with the next-ranked Consultant.

28.4 Notwithstanding the above, the substitution of Key Experts at the negotiations may be considered if due solely to circumstances outside the reasonable control of and not foreseeable by the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall offer a substitute Key Expert within the period of time specified in the letter of invitation to negotiate the Contract, who shall have equivalent or better qualifications and experience than the original candidate.

**b. Technical
Negotiations**

28.5 The negotiations include discussions of the Terms of Reference (TORs), the proposed methodology, the Client's inputs, the special conditions of the Contract, and finalizing the "Description of Services" part of the Contract. These discussions shall not substantially alter the original scope of services under the TOR or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.

**c. Financial
Negotiations**

28.6 The negotiations include the clarification of the Consultant's tax liability in the Client's country and how it should be reflected in the Contract.

28.7 If the selection method included cost as a factor in the evaluation, the total price stated in the Financial Proposal for a Lump-Sum contract shall not be negotiated.

28.8 In the case of a Time-Based contract, unit rates negotiations shall not take place, except when the offered Key Experts and Non-Key Experts' remuneration rates are much higher than the typically charged rates by consultants in similar contracts. In such case, the Client may ask for clarifications and, if the fees are very high, ask to change the rates after consultation with the Bank. The format for (i) providing information on remuneration rates in the case of Quality Based Selection; and (ii) clarifying remuneration rates' structure under this Clause, is provided in Appendix A to the Financial Form FIN-3: Financial Negotiations – Breakdown of Remuneration Rates.

**29. Conclusion of
Negotiations**

29.1 The negotiations are concluded with a review of the finalized draft Contract, which then shall be initialed by the Client and the Consultant's authorized representative.

29.2 If the negotiations fail, the Client shall inform the Consultant in writing of all pending issues and disagreements and provide a final opportunity to the Consultant to respond. If disagreement persists, the Client shall terminate the negotiations informing the Consultant of the reasons for doing so. The Client will then invite the next-ranked Consultant to negotiate a Contract. Once the Client commences negotiations with the next-ranked Consultant, the Client shall not reopen the earlier negotiations.

30. Standstill Period

30.1 The Contract shall not be awarded earlier than the expiry of the Standstill Period. The Standstill Period shall be ten (10) Business Days unless extended in accordance with ITC 33. The Standstill Period commences the day after the date the Client has transmitted to each Consultant (that has not already been notified that it has been unsuccessful) the Notification of Intention to Award the Contract. Where only one Proposal is submitted, or if this contract is in response to an emergency situation recognized by the Bank, the Standstill Period shall not apply.

31. Notification of Intention to Award

31.1 The Client shall send to each Consultant (that has not already been notified that it has been unsuccessful) the Notification of Intention to Award the Contract to the successful Consultant. The Notification of Intention to Award shall contain, at a minimum, the following information:

- (a) the name and address of the Consultant with whom the client successfully negotiated a contract;
- (b) the contract price of the successful Proposal;
- (c) the names of all Consultants included in the short list, indicating those that submitted Proposals;
- (d) where the selection method requires, the price offered by each Consultant as read out and as evaluated;
- (e) the overall technical scores and scores assigned for each criterion and sub-criterion to each Consultant;
- (f) the final combined scores and the final ranking of the Consultants;
- (g) a statement of the reason(s) why the recipient's Proposal was unsuccessful, unless the combined score in (f) above already reveals the reason;

9

- (h) the expiry date of the Standstill Period; and
- (i) instructions on how to request a debriefing and/or submit a complaint during the Standstill Period.

32. Notification of Award

- 32.1 Upon expiry of the Standstill Period, specified in ITC 30.1 or any extension thereof, and upon satisfactorily addressing any complaint that has been filed within the Standstill Period, and upon verifying that the Consultant (including each member of a JV) is not disqualified by the Bank due to noncompliance with contractual SEA/SH prevention and response obligations, the Client shall, send a notification of award to the successful Consultant, confirming the Client's intention to award the Contract to the successful Consultant and requesting the successful Consultant to sign and return the draft negotiated Contract within eight (8) Business Days from the date of receipt of such notification. The Client will require the Consultant to replace any subconsultant that is disqualified by the Bank due to noncompliance with contractual SEA/SH prevention and response obligations. The client shall simultaneously request the successful Consultant to submit, within eight (8) Business Days, the Beneficial Ownership Disclosure Form.

Contract Award Notice

Within ten (10) Business Days from the date of notification of award such request, the Client shall publish the Contract Award Notice which shall contain, at a minimum, the following information:

- (a) name and address of the Client;
- (b) name and reference number of the contract being awarded, and the selection method used;
- (c) names of the consultants that submitted proposals, and their proposal prices as read out at financial proposal opening, and as evaluated;
- (d) names of all Consultants whose Proposals were rejected or were not evaluated, with the reasons therefor;
- (e) the name of the successful consultant, the final total contract price, the contract duration and a summary of its scope; and
- (f) successful Consultant's Beneficial Ownership Disclosure Form.

32.2 The Contract Award Notice shall be published on the Client's website with free access if available, or in at least one newspaper of national circulation in the Client's Country, or in the official gazette. The Client shall also publish the contract award notice in UNDB online.

33. Debriefing by the Client

33.1 On receipt of the Client's Notification of Intention to Award referred to in ITC 31.1, an unsuccessful Consultant has three (3) Business Days to make a written request to the Client for a debriefing. The Client shall provide a debriefing to all unsuccessful Consultants whose request is received within this deadline.

33.2 Where a request for debriefing is received within the deadline, the Client shall provide a debriefing within five (5) Business Days, unless the Client decides, for justifiable reasons, to provide the debriefing outside this timeframe. In that case, the standstill period shall automatically be extended until five (5) Business Days after such debriefing is provided. If more than one debriefing is so delayed, the standstill period shall not end earlier than five (5) Business Days after the last debriefing takes place. The Client shall promptly inform, by the quickest means available, all Consultants of the extended standstill period.

33.3 Where a request for debriefing is received by the Client later than the three (3)-Business Day deadline, the Client should provide the debriefing as soon as practicable, and normally no later than fifteen (15) Business Days from the date of publication of Public Notice of Award of contract. Requests for debriefing received outside the three (3)-day deadline shall not lead to extension of the standstill period.

33.4 Debriefings of unsuccessful Consultants may be done in writing or verbally. The Consultants shall bear their own costs of attending such a debriefing meeting.

34. Signing of Contract

34.1 The Contract shall be signed prior to the expiry date of the Proposal validity and promptly after expiry of the Standstill Period, specified in ITC 30.1 or any extension thereof, and upon satisfactorily addressing any complaint that has been filed within the Standstill Period.

34.2 The Consultant is expected to commence the assignment on the date and at the location specified in the **Data Sheet**.

35. Procurement Related Complaint

35.1 The procedures for making a Procurement-related Complaint are as specified in the **Data Sheet**.

To: *[Name and address of Client]*

Dear Sirs:

We, the undersigned, offer to provide the consulting services for “**Feasibility for establishing desalination plant at BSMSN (Package No.: PMC-8A-BSMSN-BEZA)**” in accordance with your Request for Proposals (RFP) dated and our Proposal. We are hereby submitting our Proposal, which includes this Technical Proposal and a Financial Proposal sealed in a separate envelope.

{If the Consultant is a joint venture, insert the following: We are submitting our Proposal a joint venture with: {Insert a list with full name and the legal address of each member, and indicate the lead member}. We have attached a copy {insert: “of our letter of intent to form a joint venture” or, if a JV is already formed, “of the JV agreement”} signed by every participating member, which details the likely legal structure of and the confirmation of joint and severable liability of the members of the said joint venture.

{OR

If the Consultant’s Proposal includes Sub-consultants, insert the following: We are submitting our Proposal with the following firms as Sub-consultants: {Insert a list with full name and address of each Sub-consultant.}

We hereby declare that:

- a) All the information and statements made in this Proposal are true and we accept that any misinterpretation or misrepresentation contained in this Proposal may lead to our disqualification by the Client and/or may be sanctioned by the Bank.
- (b) Our Proposal shall be valid and remain binding upon us until *[insert day, month and year in accordance with ITC 12.1]*.
- (c) We have no conflict of interest in accordance with ITC 3.
- (d) We meet the eligibility requirements as stated in ITC 6, and we confirm our understanding of our obligation to abide by the Bank’s policy in regard to Fraud and Corruption as per ITC 5.

- (e) We, along with any of our sub-consultants, subcontractors, suppliers, or service providers for any part of the contract, are not subject to, and not controlled by any entity or individual that is subject to, a temporary suspension or a debarment imposed by the World Bank Group or a debarment imposed by the World Bank Group in accordance with the Agreement for Mutual Enforcement of Debarment Decisions between the World Bank and other development banks. Further, we are not ineligible under the Client's country laws or official regulations or pursuant to a decision of the United Nations Security Council;

- (f) **Sexual Exploitation and Abuse (SEA) and/or Sexual Harassment (SH):**
[select the appropriate option from (i) to (iii) below and delete the others].

We [where JV, insert: "including any of our JV members"], and any of our sub-consultants:

- (i) [have not been subject to disqualification by the Bank for non-compliance with SEA/ SH obligations.]
 - (ii) [are subject to disqualification by the Bank for non-compliance with SEA/ SH obligations.]
 - (iii) [had been subject to disqualification by the Bank for non-compliance with SEA/ SH obligations. An arbitral award on the disqualification case has been made in our favor.]
- (g) *[Note to Client: Only if required in ITC10.2 (Data Sheet 10.2), include the following: In competing for (and, if the award is made to us, in executing) the Contract, we undertake to observe the laws against fraud and corruption, including bribery, in force in the country of the Client.]*
- (h) Except as stated in the Data Sheet, ITC 12.7, we undertake to negotiate a Contract on the basis of the proposed Key Experts. We accept that the substitution of Key Experts for reasons other than those stated in ITC 12 and ITC 28.4 may lead to the termination of Contract negotiations.
- (i) Our Proposal is binding upon us and subject to any modifications resulting from the Contract negotiations.

We undertake, if our Proposal is accepted and the Contract is signed, to initiate the Services related to the assignment no later than the date indicated in ITC 34.2 of the Data Sheet.

We understand that the Client is not bound to accept any Proposal that the Client receives.

We remain,

Yours sincerely,

FORM TECH-2 (FOR FULL AND SIMPLIFIED TECHNICAL PROPOSALS)**CONSULTANT'S ORGANIZATION AND EXPERIENCE**

Form TECH-2: a brief description of the Consultant's organization and an outline of the recent experience of the Consultant that is most relevant to the assignment. In the case of a joint venture, information on similar assignments shall be provided for each partner. For each assignment, the outline should indicate the names of the Consultant's Key Experts and Sub-consultants who participated, the duration of the assignment, the contract amount (total and, if it was done in a form of a joint venture or a sub-consultancy, the amount paid to the Consultant), and the Consultant's role/involvement.

A - Consultant's Organization

1. Provide here a brief description of the background and organization of your company, and – in case of a joint venture – of each member for this assignment.
2. Include organizational chart, a list of Board of Directors, and beneficial ownership. The successful Consultant shall also provide additional information on beneficial ownership, using the Beneficial Ownership Disclosure Form.

B - Consultant's Experience

1. List only previous five (5) similar assignments successfully completed in the last 10 years. If a consultant submits more than the requested number of assignment(s) then only the requested number assignments according to serial number (ascending order) from their submitted list will be considered for evaluation. Year counting backward from the date of Submission deadline of EOI.
2. List only those assignments for which the Consultant was legally contracted by the Client as a company or was one of the joint venture members. Assignments completed by the Consultant's individual experts working privately or through other consulting firms cannot be claimed as the relevant experience of the Consultant, or that of the Consultant's partners or sub-consultants, but can be claimed by the Experts themselves in their CVs. The Consultant should be prepared to substantiate the claimed experience by presenting copies of relevant documents and references if so, requested by the Client.

FORM TECH-7**CODE OF CONDUCT FOR EXPERTS FORM*****Note to the Client:***

The following minimum requirements shall not be modified. The Client may include additional requirements to reflect Contract-specific issues/risks.

Delete this Box prior to issuance of the RFP.

Note to the Consultant:

The minimum content of the Code of Conduct form as set out by the Client shall not be substantially modified. However, the Consultant may add requirements as appropriate, including to take into account Contract-specific issues/risks.

The Consultant shall initial and submit the Code of Conduct form as part of its Proposal.

CODE OF CONDUCT FOR EXPERTS

We are the Consultant, [enter name of Consultant]. We have signed a contract with [enter name of Client] for [enter description of the Services]. Our contract requires us to implement measures to address social risks related to the Services, if any, including the risks of sexual exploitation, sexual abuse and sexual harassment.

This Code of Conduct is part of our measures to deal with social risks, if any, related to the Services. This Code of Conduct identifies the behavior that we require from all Experts.

Our workplace for carrying the Services is an environment where unsafe, offensive, abusive or violent behavior will not be tolerated and where all persons should feel comfortable raising issues or concerns without fear of retaliation.

REQUIRED CONDUCT

Experts shall:

1. carry out his/her duties competently and diligently;
2. comply with this Code of Conduct and all applicable laws, regulations and other requirements;

9

3. treat other people with respect, and not discriminate against specific groups such as women, people with disabilities, migrant workers or children;
4. not engage in Sexual Harassment, which means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature with other Experts, or Client's Personnel;
5. not engage in Sexual Exploitation, which means any actual or attempted abuse of position of vulnerability, differential power or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another;
6. not engage in Sexual Abuse, which means the actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions;
7. not engage in any form of sexual activity with individuals under the age of 18, except in case of pre-existing marriage;
8. complete training/sensitization that may be provided related to the social aspects of the Contract, including on Sexual Exploitation and Abuse (SEA), and Sexual Harassment (SH);
9. report violations of this Code of Conduct; and
10. not retaliate against any person who reports violations of this Code of Conduct, whether to us or the Client.

RAISING CONCERNS

If any person observes behavior that he/she believes may represent a violation of this Code of Conduct, or that otherwise concerns him/her, he/she should raise the issue promptly. This can be done in either of the following ways:

1. Contact [*enter name of person assigned by the Consultant to handle such matters*] in writing at this address [] or by telephone at [] or in person at []; or
2. Call [] to reach the Consultant's hotline (*if any*) and leave a message.

The person's identity will be kept confidential, unless reporting of allegations is mandated by the country law. Anonymous complaints or allegations may also be submitted and will be given all due and appropriate consideration. We take seriously all reports of possible misconduct and will investigate and take appropriate action. We will provide warm referrals to service providers that may help support the person who experienced the alleged incident, as appropriate.

There will be no retaliation against any person who raises a concern in good faith about any behavior prohibited by this Code of Conduct. Such retaliation would be a violation of this Code of Conduct.

CONSEQUENCES OF VIOLATING THE CODE OF CONDUCT

Any violation of this Code of Conduct by Experts may result in serious consequences, up to and including termination and possible referral to legal authorities.

FOR EXPERT:

I have received a copy of this Code of Conduct written in a language that I comprehend. I understand that if I have any questions about this Code of Conduct, I can contact [*enter name of the contact person(s) assigned by the Consultant*] requesting an explanation.

Our attached Financial Proposal is for the amount of {Indicate the corresponding to the amount(s) currency(ies)} {Insert amount(s) in words and figures}, [Insert “including” or “excluding”] of all indirect local taxes in accordance with ITC 25.1 in the Data Sheet. The estimated amount of local indirect taxes is {Insert currency} {Insert amount in words and figures} which shall be confirmed or adjusted, if needed, during negotiations. {Please note that all amounts shall be the same as in Form FIN-2}.

Our Financial Proposal shall be valid and remain binding upon us, subject to the modifications resulting from Contract negotiations, for the period of time specified in the Data Sheet, ITC 12.1.

Commissions and gratuities paid or to be paid by us to an agent or any third party relating to preparation or submission of this Proposal and Contract execution, paid if we are awarded the Contract, are listed below:

| Name and Address of Agents | Amount and Currency | Purpose of Commission or Gratuity |
|-------------------------------|------------------------|--------------------------------------|
| | | |

{If no payments are made or promised, add the following statement: “No commissions or gratuities have been or are to be paid by us to agents or any third party relating to this Proposal and Contract execution.”}

We understand you are not bound to accept any Proposal you receive.

We remain,

Yours sincerely,

Section 6. Fraud and Corruption

(This Section 6, Fraud and Corruption shall not be modified)

1. Purpose

- 1.1 The Bank's Anti-Corruption Guidelines and this annex apply with respect to procurement under Bank Investment Project Financing operations.

2. Requirements

- 2.1 The Bank requires that Borrowers (including beneficiaries of Bank financing); bidders (applicants/proposers), consultants, contractors and suppliers; any sub-contractors, sub-consultants, service providers or suppliers; any agents (whether declared or not); and any of their personnel, observe the highest standard of ethics during the procurement process, selection and contract execution of Bank-financed contracts, and refrain from Fraud and Corruption.

- 2.2 To this end, the Bank:

- a. Defines, for the purposes of this provision, the terms set forth below as follows:
- i. "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
 - ii. "fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
 - iii. "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
 - iv. "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
 - v. "obstructive practice" is:
 - (a) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
 - (b) acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under paragraph 2.2 e. below.
- b. Rejects a proposal for award if the Bank determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or

indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;

- c. In addition to the legal remedies set out in the relevant Legal Agreement, may take other appropriate actions, including declaring misprocurement, if the Bank determines at any time that representatives of the Borrower or of a recipient of any part of the proceeds of the loan engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the procurement process, selection and/or execution of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the Bank to address such practices when they occur, including by failing to inform the Bank in a timely manner at the time they knew of the practices;
- d. Pursuant to the Bank's Anti-Corruption Guidelines and in accordance with the Bank's prevailing sanctions policies and procedures, may sanction a firm or individual, either indefinitely or for a stated period of time, including by publicly declaring such firm or individual ineligible (i) to be awarded or otherwise benefit from a Bank-financed contract, financially or in any other manner;¹ (ii) to be a nominated² sub-contractor, consultant, manufacturer or supplier, or service provider of an otherwise eligible firm being awarded a Bank-financed contract; and (iii) to receive the proceeds of any loan made by the Bank or otherwise to participate further in the preparation or implementation of any Bank-financed project;
- e. Requires that a clause be included in bidding/request for proposals documents and in contracts financed by a Bank loan, requiring (i) bidders (applicants/proposers), consultants, contractors, and suppliers, and their sub-contractors, sub-consultants, service providers, suppliers, agents, personnel, permit the Bank to inspect³ all accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have them audited by auditors appointed by the Bank.

¹ For the avoidance of doubt, a sanctioned party's ineligibility to be awarded a contract shall include, without limitation, (i) applying for pre-qualification, expressing interest in a consultancy, and bidding, either directly or as a nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider, in respect of such contract, and (ii) entering into an addendum or amendment introducing a material modification to any existing contract.

² A nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider (different names are used depending on the particular bidding document) is one which has been: (i) included by the bidder in its pre-qualification application or bid because it brings specific and critical experience and know-how that allow the bidder to meet the qualification requirements for the particular bid; or (ii) appointed by the Borrower.

³ Inspections in this context usually are investigative (i.e., forensic) in nature. They involve fact-finding activities undertaken by the Bank or persons appointed by the Bank to address specific matters related to investigations/audits, such as evaluating the veracity of an allegation of possible Fraud and Corruption, through the appropriate mechanisms. Such activity includes but is not limited to: accessing and examining a firm's or individual's financial records and information, and making copies thereof as relevant; accessing and examining any other documents, data and information (whether in hard copy or electronic format) deemed relevant for the investigation/audit, and making copies thereof as relevant; interviewing staff and other relevant individuals; performing physical inspections and site visits; and obtaining third party verification of information.

Section 7. Terms of Reference

Feasibility for establishing desalination plant at BSMSN (Package No: PMC-8A-BSMSN-BEZA)

1. Background

Global demand for water continues to increase whilst freshwater sources are becoming scarce due to increasing demand for natural resources and the impacts of climate change, particularly in semi-arid and coastal areas. BSMSN is situated near coastal area, as a result most of the water of this industrial city will be salinized and there will be lack of sweet water in the area. Currently, BEZA has finalized a comprehensive master plan for developing this smart Industrial City, incorporating Sea Port, Rail Connectivity, Marine Drive, Residential Area, Tourism Park, Power Plant, Hospital, School and University, etc. (Annexure 1 & 2). This shall generate substantial demand for water by the industries and waste treatment. Initial assessment shows that around 1013 MLD of potable water will be required by 2040 (IWM report) where desalination plants have been identified as one of the options for BSMSN. However, the cost of water generated from desalination and water tariff could be much higher than other two alternative sources (Surface water from Muhuri Reservoir and groundwater). On the other hand, sourcing of water from underground will be a permanent damage to the aquifer which would not be replenished in the wet season like urban centers such as Dhaka and Comilla. Therefore, the authority aims to understand the range of potential water resources in this region which is essential in order to diversify the water management portfolio of the city addressing regulatory requirements (National Environment Policy 2018) as well as to increase water security across the region.

In order to meet the growing demand of fresh water in BSMSN-EZs, BEZA initially envisages establishing a desalination plant of 30 MLD capacity (May vary based on the findings of the study) with a leading service developer/operator/provider as the private partner in a phase wise manner under financial assistance of BSMSN Development Project under the PRIDE project of World Bank. BEZA would like to engage the services of a Consultant to support and work with BEZA for performing a market /techno-financial review of desalination technologies and an analysis of investment opportunities/prospects and challenges for implementing desalination projects under PPP modality in BSMSN. The Assignment is consistent with the Green and Resilient Economic Zone (GREZ) Guideline approach, which aims to promote efficient use of water and energy resources, and to address climate change mitigation, adaptation and resilience in the

coastal area through increasing the market penetration of water-efficient technologies and building markets for sustainable water use.

2. Objective(s) of the Assignment

The first objective of this assignment is to study the overall water sustainability of BSMSN in the context of current and projected water demand, availability, sources/options, consumption scenarios and initiatives taken and assess the necessity of desalination plant as an alternative and viable option for BSMSN.

Based on the recommendations of the first study, and assuming that the recommendation includes requirement of a desalination plant, the second objective of this assignment is to carry out a feasibility study (including technical, financial and environmental and social feasibility) of a desalination plant, which is detailed under the Scope of Work in the table below. The study will also develop a bankable business model (preferably on a PPP structure) based on the outcomes of the feasibility study and market assessments on desalination plant in BSMSN. The detailed feasibility study would comply with World Bank Environmental and Social Standards, procurement and other requirements, follow GIIP and be in line with Government of Bangladesh requirements for PPP Projects.

2. Scope of Work

The major areas of the scope of work are summarized in Table below.

| Component/ Phases | Task |
|--|---|
| Component 1 (a): Assessment of current water management scenario in BSMSN in order to assess the future challenges and the necessity of desalination plant as an option in the region. | Task 1: Assess the current and projected water demand in BSMSN, until 2040, under different scenarios; also identify all the alternative potential sources of water and the likely quantum of water available from each such source currently and projected until 2040; assess the future challenges in different sectors and viable options in water practices, which are aimed at minimizing differences between demand and supply at present and in the future by 2040. In this case, water shortages may be addressed through anticipatory planning measures. Based on the assessment, evaluate the necessity of a desalination plant as a possible source of water in the region and the quantum of desalinated water required to bridge the projected demand supply gap. |

| | |
|---|---|
| <p>Component 1 (b): Preparation of the detailed feasibility report and recommend a suitable PPP contract structure</p> | <p>Task 1: Conduct a detailed feasibility study of a DESAL plant of 30 MLD capacity (May vary based on the findings of the study) that could be constructed and operated in an environmentally and socially sustainable manner. The feasibility should assess technical, economic, financial and environmental and social viability of the plant, which would include, but not limited to: a) Detailed site assessment and analysis of the site condition to identify the technical solution for DESAL plant of 30 MLD capacity in BSMSN; b) based on an analysis of the quality of the water source, identify alternative DESAL technologies and evaluate each of these technologies along various relevant parameters, including, cost, energy consumption, etc. c) estimated revenue projections, based on different tariff scenarios (in line with existing tariff for piped municipal/industrial water supply in Bangladesh and tariff for such water supply in neighbouring countries with similar economic development) and assessment of multiple potential and feasible sources of revenue for delivering process water supply including any potential for revenues from any resource recovery, recycling if applicable, over the lifecycle of the plant ; d) Conceptual/indicative layout of the DESAL plant with proposed onsite infrastructures, collection/distribution networks, including connectivity, utility and waste management requirements etc; e) Propose optimum specifications of all elements of onsite infrastructure of the DESAL plant and their estimated capital and O&M costs; f) Financial Analysis and Assessment, including development of detailed project construction cost, O&M cost, revenue estimates, and project and equity IRR, payback period, and develop a detailed financial model, based on financing and other assumptions from consultations with potential domestic and international financiers and on a bankable PPP structure, that could potentially include revenue share with BEZA; g) Economic Analysis and Assessment, including development of a model to arrive at Economic Internal Rate of Return (EIRR), and ENPV for the project; h) assess environmental and social risks and impacts, based on World Bank Environmental and Social Framework (ESF), GIIP and Government of Bangladesh standards, including climate risk assessment and recommendations; i) legal & regulatory assessment to ensure that</p> |
|---|---|

| | |
|---|--|
| | <p>the proposed project configuration is in line with the BSMSN Master Plan, BEZA's Green and Resilience Economic Zone (GREZ) guidelines and Government of Bangladesh standards, with recommendations on the optimal PPP structure, in line with Bangladesh's PPP Act and PPP Authority's PPP guidelines and also if any amendments are required to facilitate implementation of the proposed project; and j) PPP modality options and recommendation on optimum risk sharing matrix, given the inputs received from interactions with BEZA, potential private sector partners and potential financiers, to understand their expectations.</p> <p>Task 2: Support BEZA in preparing reports and presentations that may be required to seek approvals from Cabinet Committee for Economic Affairs (CCEA), any other Government of Bangladesh institution or World Bank and in addressing any issues raised/clarifications sought or revisions in the feasibility report required by the CCEA, any other government organization or World Bank prior to approving the project for implementation under the PPP Act.</p> |
| Component 2: Market Sounding | <p>Task 1: Market Sounding 'Briefing Document' to be prepared, based on the above approved feasibility report and PPP structure</p> <p>Task 2: Conduct market sounding with targeted potential national/international developer/operator/service provider with experience of developing similar project through structured questionnaire and/or in-depth discussions, to gauge their interest levels in participation and also to ascertain if the proposed feasibility study and PPP structure addresses their concerns / inputs shared in the initial market sounding</p> <p>Task 3: Recommend final PPP modality/risk-sharing structure by incorporating inputs from the feasibility study and market sounding (if any changes are required).</p> <p>Task 04: Any other support that may be required by BEZA to finish the tasks under the component 1 and 2.</p> |

4. Detailed Tasks:

Component 1 (a) Assessment of current and projected water demand in BSMSN, until 2040, under different scenarios; also identify all the alternative potential sources of water and the likely quantum of water available from each such source currently and projected until 2040 **in BSMSN in order to**

evaluate the future challenges and the necessity of desalination plant as a potential option for water supply in the region.

Effective management of water resources in BSMSN warrants some anticipation of how water resources are going to change in the future under the influence of both natural and manmade changes in the industrial city. Undertake quantitative analysis using forecasting models and tools to determine the following: (1) quantitative assessment of water supply including water availability and water management options in BSMSN between now and 2040; (2) quantitative analysis of the water demand, both for industrial process requirement, as well as for drinking purposes, in different sectors of the BSMSN industrial city between now and 2040; in addition to quantitative models and assessments, the demand assessment should also be based on intensive direct engagements / discussions with investors and BEZA officials (3) optimization and simulation of water resource systems at BSMSN. Based on the above, the consultant should recommend when (in which year), what capacity of Desal Plant is required to fill the demand supply gap of water in BSMSN.

Knowledge of the hydrological regime of a region or a watershed is a crucial prerequisite for this hydrological work. The available water has to be assessed with regard to quantity and quality of groundwater resources, surface water and marine or coastal waters. With a view to fulfill the requirements of this assessment, the consultant will study the current and future water supply initiatives in the influence area of BSMSN. Consultant shall use primary data for carrying out this assessment in BSMSN along with existing available data from recent studies, relevant national agencies, various regional institutions involved in collection and management of water related data.

This assignment is proposed to be undertaken in two clear phases: Component 1(a) will comprise the Assessment of current water demand – supply scenario and the potential requirement of desalination plant as one of the sustainable water supply options in the region. and if approved by BEZA and other Government of Bangladesh entities, then BEZA will move ahead with Component 1 (b) and 2 of the assignment, which will comprise preparation of the detailed feasibility report and Market Sounding. At the end of Component 1 (b) of this assignment, BEZA, at its discretion, could decide not to move ahead with component 2 of this assignment.

Component 1 (b) Preparation of the detailed feasibility report and recommend a suitable PPP contract structure for establishing desalination plant at BSMSN.

The detailed feasibility report is expected to be developed based on the technical study. The detailed feasibility study will include the following:

A. Technical due diligence.

The aim of technical assessment is to confirm the assessment of best available desalination technologies, technical specification, environmental impacts and energy requirements as well as cost and financial aspects. In particular, the best technical solution should be selected among the following

9

scenarios (and others the consultant may evolve) and justified through the technical and economic comparison:

- 1st Scenario: Desalination Plant is a standalone unit, the source of input water is from sea / marine sources and the operational electrical energy is bought at the prevailing commercial conditions
- 2nd Scenario: Desalination Plant is integrated with a source of re-cycled water such as from Central Effluent Treatment Plant operating in BSMSN.

The Consultant is required to:

- Assess the viability of different desalination technologies to identify the technology suitable for BSMSN in line with the national and international drinking water and process water standards
- Assess whether the proposed technology has any significant geotechnical or any other significant technical risks
- Confirm the optimized process water composition (outlet) to serve the majority of the companies based on the prevalent industries in zones 2A and 2B and also for drinking water purposes and use it as design input for the evaluation of the most suitable technology for the sizing and phasing of the desalination plant. Including considerations on how to make desalination a greener/ more sustainable solution (integration with energy efficient solutions and renewable energy options)
- Obtain reliable seawater analysis reports from local and international sources and work out the relevant design conditions with consideration given to the changes expected in the future because of climate change and of the planned new industries to start activity in that area

The consultant will carry out the technical due diligence, analysis, and assessment of the project, including:

(i) A comprehensive assessment of the proposed site for the DESAL project. This assessment will include, amongst others the following aspects: (a) a complete assessment of geo-technical conditions to identify any potential technical problem that can impact the project (b) location of the industries and residences, the users of the processed water , common infrastructure, and other service-providing facilities, within BSMSN; (c) availability or possibility of making available utilities and other external infrastructure required at the site; (d) possibility of implementing the plant in a phase-wise manner ; (e) possible environmental and social footprints; (f) different methods/technologies used for the DESAL project. (g) other relevant aspects;

(ii) Based on the above assessment of the types and volumes of processed water/reject water to be managed by the DESAL project, and an assessment of brine water treatment/disposal options, prepare a comprehensive configuration for the project, that details all elements of the project, viz., collection, treatment, transmission, distribution, disposal, etc., and their technologies/processes that delivers on the requirements of the Government of Bangladesh's environmental norms, WB guidelines, BSMSN's master plan, etc.

(iii) The consultant should prepare conceptual/indicative layout of the proposed project, in line with specifically the water distribution network, the overall master plan and existing project development activities for BSMSN (annexure 01 & 02) keeping linkages and connectivity to the rest of BSMSN and also to various infrastructure facilities within BSMSN;

(iv) Based on the comprehensive project configuration prepared in (ii) above and the conceptual / indicative layout, and any other factors that may be relevant, the consultant should prepare a detailed estimation of the capital cost of the project (Capex). This Capex estimate should be based on actual quotations from potential plant and machinery and other equipment suppliers and on estimated costs of civil and other construction in Bangladesh for similar projects, adjusted, if required, specifically to the project site in BSMSN. Please note that the Capex could be phased, across multiple years, in line with the agreed (as approved by BEZA) demand-supply gap and the requirements of water from the Desal plant. In addition to Capex, the consultant should also provide the projected Total Project Cost (TPC), which, in addition to the Capex, would include pre-operative costs, interest during construction, and other such costs incurred in the course of implementing the project.

(v) The consultant should prepare projected estimate of operations and maintenance (O&M) costs for operating the DESAL plant as per the projected levels of operations of the plant. These costs should be based on estimations from suppliers of plant and machinery and also based on current and projected cost of power in Bangladesh and any other consumables, etc., that would form part of O&M.

(vi) The consultant should identify all the linked projects and facilities, if any, related to the integrated DESAL project at BSMSN. The implications and impacts of these projects and facilities should be factored in the project's overall technical and financial viability.

B. Legal and Regulatory framework and Project structure

The consultant will undertake a detailed analysis of the legal and regulatory framework in Bangladesh pertaining to the projects, within Economic Zones. This analysis should include, amongst others, the following:

- (i) Review existing laws/acts that govern the generation and management of municipal/industrial water supply system in Bangladesh, including national standards for process and drinking water;

- (ii) Review existing laws/acts that governs the inception, planning, approval and implementation of DESAL projects in Bangladesh;
- (iii) Explore existing DESAL projects within the municipal/industrial areas and evaluate the policy or legal/regulatory framework under which such projects were implemented and are governed. If possible, explore any projects that is operating within an industrial zone and providing the services directly to industrial consumers within the industrial zone
- (iv) Informed by the above reviews and assessments, the Consultant should develop alternative project structuring and implementation options. The consultant would identify the pros and cons of each such structure from the point of view of (a) delivering on BEZA's objectives from the project and being amenable to BEZA's preferred risk sharing matrix; (b) attractiveness to potential private sector participants; (c) risk profile and its impact on bankability; (d) project implement-ability, in terms of project phasing, implementation time period and associated risks; and (e) any other factors that the consultant deems appropriate;
- (v) Develop a recommended project structure, including justifications for the same, with a well-defined implementation phasing and list of approvals or licenses that would be required and the associated challenges and time frames for the same

C. Financial Analysis and Assessments. The consultant will carry out a detailed financial analysis and assessment of the project including:

- (i) prepare tariff policy based on current tariffs in operational economic zones in Bangladesh, cost recovery/revenue generation options based on best practices or any other factors deemed relevant by the consultant, including discussions with all relevant Government of Bangladesh authorities and appropriate BEZA officials, over the likely tenure of the project period, which are based on verifiable data and are sufficient to support project implementation and operation and which include step-ups and indexation where relevant, and indexation mechanism for various cost items;
- (ii) Evolve a financing plan based on (a) evaluation of financing structures of recently financially closed similar or other infrastructure PPP projects in Bangladesh or neighboring developing economies; (b) interacting with potential sources of debt, sub-debt and equity in Bangladesh and also some potential international financiers and the corresponding terms and conditions of the same; (c) securing inputs from BEZA regarding the funds available under the World Bank supported PRIDE project for supporting this project; (d) interactions with potential private sector partners to understand their preferred or likely financing structure for this / similar projects;
- (iii) Prepare a detailed financial model in Microsoft Excel for the entire project, based on the revenue projections, project cost estimates and O&M cost estimates derived in the technical due diligence section of the feasibility study and the proposed financing plan. The financial model should include, but not be limited, to the following:

- a. Assessing if the project is financially feasible and bankable, at different levels of revenue share with BEZA, based on its Project and Equity IRRs, NPV, Debt Service Coverage Ratio and other metrics of feasibility assessment;
- b. Undertaking sensitivity analysis, i.e., "what if" scenarios, across various key parameters of the project to assess whether the project is financially feasible and bankable even under various adverse scenarios
- c. determining value for money (VFM) for BEZA under PPP structure; and
- d. evaluating other commercial structures as may be required;

The financial model should include appropriate accounting, depreciation and tax treatments relevant for the project. The financial model should allow for the input of an array of assumptions and outputs that are typical for similar DESAL projects to calculate pretax project IRR, project IRR, WACC, NPV, equity IRR, DSCR and LLCR. The financial model should provide outputs including projected financial statements (cash flow, balance sheet, profit and loss, etc.), feasibility metrics, project returns, etc., and provide outputs in tabular and chart forms.

The financial model in Microsoft Excel should be provided to BEZA in an unlocked form, i.e. formulas visible and editable in cells and, as a minimum, the models should include all of the above mentioned parameters and be for at least the likely PPP contract period.

Conduct walk-through of the financial model for BEZA as may be required; make and deliver presentations to other agencies of the Government of Bangladesh, like the Prime minister's Office (Line Ministry) and others, the World Bank, and other parties as requested on the financial analysis and other aspects of the project and respond to any queries or clarifications sought.

D. Economic Analysis and Assessment. The Consultant will carry out an economic analysis of the project in accordance with the guidelines of the Government of Bangladesh including:

- (i) review the macroeconomic context of the project to provide an understanding of the economy's overall performance and outlook, and of how specific macroeconomic factors may affect project performance;
- (ii) undertake a detailed demand analysis for drinking (municipal) and industrial water and analysis of the impact on the environment for the project;
- (iii) help identify demands/problems to be solved by the project, the project intervention, outputs, expected outcomes and impacts;
- (iv) identify project alternatives; least-cost analysis to be undertaken to identify the preferred alternative; the basis for selecting the preferred alternative should be clearly explained, particularly if it is not the least-cost alternative in economic terms;
- (v) undertake and compare project benefits and costs in economic terms using with-project and without-project scenarios for each major project component; the basic criteria for assessing the

project economic viability will be economic net present value and economic internal rate of return for subprojects/linked projects and total project; border parity pricing should be applied for major tradable cost and revenue items, along with other appropriate conversion factors;

(vi) undertake distributional analysis of project benefits to project beneficiary and stakeholder groups, and the extent to which they gain from benefits or bear costs associated with the project; undertake poverty impact assessment where necessary;

(vii) undertake sensitivity and risk analysis; where possible undertake a quantitative risk analysis and explicitly include probability distributions of key uncertain variables;

(viii) Undertake a value for money analysis to assess whether the project is beneficial economically and financially.

E. Environment and Social Footprint Assessment and Management Plan. As part of this exercise, the consulting team will conduct an assessment of potential environmental and social impacts of the project, including resettlement issues, if required. The consultant team will follow the ESF of World Bank while conducting the ES assessment. *This may not be a full environmental and social impact assessment (ESIA), or resettlement plan but a comprehensive review of the key ES issues.* Information from different ES instruments (ESMF, ESA, BMP etc.) developed so far for the PRIDE project may also be referred.

A review of the baseline study of physical environment should be included for the proposed site, which may include but not be limited to: i) climate, ii) land use/topography, iii) agriculture, iv) ecology, v) air quality, vi) noise, vii) soil quality and geology, viii) surface water, and ix) ground water etc.

In addition, an assessment of the biological environment should be undertaken and should include, but not be limited to: i) vegetation, ii) flora and fauna, iii) animals, and iv) ecologically sensitive/protected areas or special areas in the surrounding community.

Lastly, a review of the human and social environment should be undertaken and should include, but not be limited to: i) occupational health and safety and community health and safety, ii) socioeconomic, land acquisition and resettlement issues, iii) working & labour condition, iv) minority/child issues iii) historic and cultural aspects, if applicable. This review should also specifically address issues related to gender, the disadvantaged and the vulnerable, and i) if and how women and girls, the disadvantaged in particular will be impacted by the project and ii) how they can be included in the benefits that the community will derive from the project.

At this stage, the consulting firm should highlight areas of significant problems or highlight key ES issues and propose mitigation measures and management plans in line with GREZ guidelines developed by BEZA (GREZ) with support from the World Bank. While undertaking this review, it should be kept in mind that the site will be utilized for a variety of industry sectors and green infrastructure facilities for which these impacts on the physical and social environment must be identified and mitigated in the future. All mitigation measures along with the regulatory and safeguard

requirements for both the environmental and social aspects should be quantified in such a way that the costs can be included directly in the financial and economic analysis.

The output of the consultant firm should include a detailed Terms of Reference for a Detailed Environment and Social Impact Assessment study and Management Plans to be undertaken at a later stage as per ESF of WB.

F. Climate risk assessment. Based on an initial climate risk screening assessment of the project, the performance of the proposed investment is likely to be affected by future changes in climate conditions and their impacts including temperature increase, precipitation increase, flood, and land slide risk. To achieve the impact and outputs of the proposed investments, a climate risk and vulnerability assessment (CRVA) is required to provide a detailed and focused risk and vulnerability assessment that will identify and, to the extent possible, quantify risks to the project from climate change and variability, and provide corresponding adaptation measures. Outputs of the CRVA will be used by the PPP SPV to finalize detailed design. The climate risk assessment for the DESAL plant should include the following analyses:

- (i) Conduct a climate change vulnerability and risk assessment for the project area to identify vulnerability of the planned infrastructure, and adaptation measures to be incorporated into the project/ DESAL plant design;
- (ii) review existing studies, data and information on current and projected climate change risks and vulnerability for the proposed specific geographic areas, sectors, and time covered by the project;
- (iii) identify climate risks and vulnerabilities and potential adaptation options and practices as inputs to modelling and/or assessment of climate change impacts on relevant aspects of the project;
- (iv) conduct technical and economic assessments of potential climate risk and vulnerability adaptation options and practices relevant to the project;
- (v) within the context of the project, assess existing policies, laws and regulations and/or institutional framework that suggest for adaptation and identify ways to enhance the enabling environment (if necessary);

G. PPP Options. The consultant should identify and evaluate all the possible PPP options for implementing the DESAL project at BSMSN, and recommend the one best suited to this project. The pros and cons of each option should be evaluated rigorously across an exhaustive set of relevant criteria, which would include, amongst others, the following:

- i. Deliver on BEZA's objectives from this project;
- ii. Maximization of DESAL capacity and utilization/recovery of resources within BSMSN;
- iii. Optimal risk sharing between BEZA and the Private Sector Partner, with each partner bearing the risks that they are best equipped to address / mitigate
- iv. Attractiveness to potential private sector participants / bidders

9

- v. Financial returns to the private sector partner and BEZA (if the option recommends investment participation by BEZA from its receipts from PRIDE Project or provides for a revenue share to BEZA)
- vi. Bankability, i.e., levels of comfort to potential lenders to the project
- vii. Ability to absorb the funding available to BEZA for this project from PRIDE project, in a manner that optimizes BEZA's financial returns as well as is in line with BEZA's capacity to manage this investment;
- viii. Maximizes BEZA's and the Government of Bangladesh's Value-for-money;
- ix. In line with the current legal and regulatory framework;
- x. Any other criteria that the Consultants believe to be appropriate for this evaluation

The consultant should detail out the recommended PPP option across all its dimensions, including the roles and responsibilities of BEZA and the private sector partner. The Consultant should also outline the pros and cons of the recommended PPP option, as well as its risks and potential risk mitigation measures and risk-sharing mechanisms.

The consultant would support BEZA in preparing reports and presentations that may be required to seek approvals from CCEA, DoE, World Bank and any other Government of Bangladesh institution and in addressing any issues raised/ clarifications sought or revisions in the feasibility report required by the CCEA or any other Governmental entity prior to approving the project for implementation under the PPP Act.

***The feasibility study report shall be prepared in accordance with the scope as detailed above including the requirements of the Planning Commission of Bangladesh.*

Component 2: Market Sounding

In this component the consultants would engage in detailed consultation with potential private sector entities interested in this project.

Objectives

The main objective of market sounding is to test private sector's ability to assume risks that are to be transferred via the PPP contract from BEZA to the private sector. The objectives of the market sounding are to:

- Generate interest in the Project, and encourage new, private sector parties to come forward with their ideas.
 - Understand the expectations, maturity and readiness of potential market participants in the project, and the factors affecting their level of interest.
 - Test the market's appetite to share the risk of development and the size, scale and scope of the market for potential participation.
- 

- Receive market views and feedback on how the potential development of the project could best be undertaken.
- Understand the merits of different development and procurement routes, to inform the next stages of project development

Market sounding would focus on the private sector as a whole, rather than on any individual company. The Consultant, together with BEZA, will conduct a Market Sounding exercise with existing and potential promoters, funders, financiers, developers, advisors, construction contractors and other industry participants to assess market interest in the Project at BSMSN. It includes no element of evaluation, and there is no commitment of any kind involved.

The Consultant should conduct at least one offline market sounding workshop in Dhaka, inviting as many potential members of the target audience as possible, in association with BEZA and engage intensively to get a good understanding of the attractiveness and challenges with the project and proposed project structure. The Consultant should build in the costs for conduct of such a 2-3 hour workshop, including costs for venue, catering, etc., in Dhaka, into its financial proposal.

The other interactions as part of the market sounding exercise could be undertaken on a one-on-one or group basis, virtually or physically, by the Consultant.

Process

To provide respondents with some relevant background, the Advisor will also produce a **Market Sounding Briefing for DESAL Project (the 'Briefing Document')**. This Briefing Document would include a brief description of the DESAL Project, including its sub-projects, the total estimated capacity of the project, the estimated size of the investment, the broad contours of the PPP model, the role of BEZA as a Contracting Authority, and other key aspects of the project as deemed appropriate.

The consultations should be undertaken by a mix of using a free-flowing discussion as well as a discussion based on a broad guideline, covering specific areas, agreed on with BEZA, prior to the start of the Market Sounding interaction. The areas of discussion may be structured under the following topics, amongst others:

- a. interest in and demand for the project
- b. the readiness, maturity and capability of the market
- c. structuring the development process
- d. barriers and enablers to sharing risk of development

5. Expected Time Schedule

The total duration of consulting services is expected to be 09 months (6 months for drafting and finalizing of the feasibility study and proposed structure; 3 months for approval of the feasibility report by PPP Authority, CCEA and any other Government of Bangladesh institution).

6. Expertise Required

The required key experts for this work is given below:

Key Experts and indicative Expected Person-Months (PM)

| SN | Position | No | MM | Total |
|-------|---|----|----|-------|
| 1 | Team leader/ PPP Expert | 1 | 06 | 06 |
| 2 | Desalination Engineering / technical expert | 1 | 05 | 05 |
| 3 | PPP/project financing expert | 1 | 02 | 02 |
| 4 | Legal expert | 1 | 03 | 03 |
| 5 | Environmental Specialist | 1 | 03 | 03 |

- (t) **"Services"** means the work to be performed by the Consultant pursuant to this Contract, as described in Appendix A hereto.
- (u) **"Sexual Exploitation and Abuse" "(SEA)"** means the following:

Sexual Exploitation is defined as any actual or attempted abuse of position of vulnerability, differential power or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another.

Sexual Abuse is defined as the actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions.
- (v) **"Sexual Harassment" "(SH)"** is defined as unwelcome sexual advances, requests for sexual favors, and other verbal

or physical conduct of a sexual nature by the Experts with other Experts or Client's Personnel.

- (w) **"Sub-consultants"** means an entity to whom/which the Consultant subcontracts any part of the Services while remaining solely liable for the execution of the Contract.
- (x) **"Third Party"** means any person or entity other than the Government, the Client, the Consultant or a Sub-consultant.

2. Relationship between the Parties

- 2.1. Nothing contained herein shall be construed as establishing a relationship of master and servant or of principal and agent as between the Client and the Consultant. The Consultant, subject to this Contract, has complete charge of the Experts and Sub-consultants, if any, performing the Services and shall be fully responsible for the Services performed by them or on their behalf hereunder.

3. Law Governing Contract

- 3.1. This Contract, its meaning and interpretation, and the relation between the Parties shall be governed by the Applicable Law.

4. Language

- 4.1. This Contract has been executed in the language specified in the **SCC**, which shall be the binding and controlling language for all matters relating to the meaning or interpretation of this Contract.

5. Headings

- 5.1. The headings shall not limit, alter or affect the meaning of this Contract.

6. Communications

- 6.1. Any communication required or permitted to be given or made pursuant to this Contract shall be in writing in the language specified in Clause GCC 4. Any such notice, request or consent shall be deemed to have been given or made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent to such Party at the address specified in the **SCC**.
- 6.2. A Party may change its address for notice hereunder by giving the other Party any communication of such change to the address specified in the **SCC**.

7. Location

- 7.1. The Services shall be performed at such locations as are specified in **Appendix A** hereto and, where the location of a particular task is not so specified, at such locations, whether in the Government's country or elsewhere, as the Client may approve.

- | | | |
|---|-------|---|
| 8. Authority of Member in Charge | 8.1. | In case the Consultant is a Joint Venture, the members hereby authorize the member specified in the SCC to act on their behalf in exercising all the Consultant's rights and obligations towards the Client under this Contract, including without limitation the receiving of instructions and payments from the Client. |
| 9. Authorized Representatives | 9.1. | Any action required or permitted to be taken, and any document required or permitted to be executed under this Contract by the Client or the Consultant may be taken or executed by the officials specified in the SCC . |
| 10. Fraud and Corruption | 10.1. | The Bank requires compliance with the Bank's Anti-Corruption Guidelines and its prevailing sanctions policies and procedures as set forth in the Bank's Sanctions Framework, as set forth in Attachment 1 to the GCC. |
| a. Commissions and Fees | 10.2. | The Client requires the Consultant to disclose any commissions, gratuities or fees that may have been paid or are to be paid to agents or any other party with respect to the selection process or execution of the Contract. The information disclosed must include at least the name and address of the agent or other party, the amount and currency, and the purpose of the commission, gratuity or fee. Failure to disclose such commissions, gratuities or fees may result in termination of the Contract and/or sanctions by the Bank. |

B. COMMENCEMENT, COMPLETION, MODIFICATION AND TERMINATION OF CONTRACT

- | | | |
|--|-------|---|
| 11. Effectiveness of Contract | 11.1. | This Contract shall come into force and effect on the date (the "Effective Date") of the Client's notice to the Consultant instructing the Consultant to begin carrying out the Services. This notice shall confirm that the effectiveness conditions, if any, listed in the SCC have been met. |
| 12. Termination of Contract for Failure to Become Effective | 12.1. | If this Contract has not become effective within such time period after the date of Contract signature as specified in the SCC , either Party may, by not less than twenty two (22) days written notice to the other Party, declare this Contract to be null and void, and in the event of such a declaration by either Party, neither Party shall have any claim against the other Party with respect hereto. |

- 13. Commencement of Services** 13.1. The Consultant shall confirm availability of Key Experts and begin carrying out the Services not later than the number of days after the Effective Date specified in the SCC.
- 14. Expiration of Contract** 14.1. Unless terminated earlier pursuant to Clause GCC 19 hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the SCC.
- 15. Entire Agreement** 15.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.
- 16. Modifications or Variations** 16.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any proposals for modification or variation made by the other Party.
- 17. Force Majeure**
- a. Definition** 17.1. For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible under the circumstances, and subject to those requirements, includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action confiscation or any other action by Government agencies.
- 17.2. Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party's Experts, Sub-consultants or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both take into account at the time of the conclusion of this Contract, and avoid or overcome in the carrying out of its obligations hereunder.
- 17.3. Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.
- 

- b. No Breach of Contract** 17.4. The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.
- c. Measures to be Taken** 17.5. A Party affected by an event of Force Majeure shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.
- 17.6. A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than fourteen (14) calendar days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.
- 17.7. Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.
- 17.8. During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultant, upon instructions by the Client, shall either:
- (a) demobilize, in which case the Consultant shall be reimbursed for additional costs they reasonably and necessarily incurred, and, if required by the Client, in reactivating the Services; or
 - (b) continue with the Services to the extent reasonably possible, in which case the Consultant shall continue to be paid under the terms of this Contract and be reimbursed for additional costs reasonably and necessarily incurred.
- 17.9. In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled according to Clauses GCC 49 & 50.
- 18. Suspension** 18.1. The Client may, by written notice of suspension to the Consultant, suspend part or all payments to the Consultant hereunder if the Consultant fails to perform any of its obligations under this Contract, including the carrying out of the Services, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the

Consultant to remedy such failure within a period not exceeding thirty (30) calendar days after receipt by the Consultant of such notice of suspension.

19. Termination

19.1. This Contract may be terminated by either Party as per provisions set up below:

a. By the Client

19.1.1. The Client may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (f) of this Clause. In such an occurrence the Client shall give at least thirty (30) calendar days' written notice of termination to the Consultant in case of the events referred to in (a) through (d); at least sixty (60) calendar days' written notice in case of the event referred to in (e); and at least five (5) calendar days' written notice in case of the event referred to in (f):

- (a) If the Consultant fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension pursuant to Clause GCC 18;
- (b) If the Consultant becomes (or, if the Consultant consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- (c) If the Consultant fails to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GCC 50.1;
- (d) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;
- (e) If the Client, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;
- (f) If the Consultant fails to confirm availability of Key Experts as required in Clause GCC 13.

19.1.2. Furthermore, if the Client determines that the Consultant has engaged in Fraud and Corruption in competing for or in executing the Contract, then the Client may, after giving fourteen (14) calendar days written notice to the Consultant, terminate the Consultant's employment under the Contract.

- b. By the Consultant**
- 19.1.3. The Consultant may terminate this Contract, by not less than thirty (30) calendar days' written notice to the Client, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.
- (a) If the Client fails to pay any money due to the Consultant pursuant to this Contract and not subject to dispute pursuant to Clause GCC 45.1 within forty-five (45) calendar days after receiving written notice from the Consultant that such payment is overdue.
 - (b) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days.
 - (c) If the Client fails to comply with any final decision reached as a result of arbitration pursuant to Clause GCC 50.1.
 - (d) If the Client is in material breach of its obligations pursuant to this Contract and has not remedied the same within forty-five (45) days (or such longer period as the Consultant may have subsequently approved in writing) following the receipt by the Client of the Consultant's notice specifying such breach.
- c. Cessation of Rights and Obligations**
- 19.1.4. Upon termination of this Contract pursuant to Clauses GCC 12 or GCC 19 hereof, or upon expiration of this Contract pursuant to Clause GCC 14, all rights and obligations of the Parties hereunder shall cease, except (i) such rights and obligations as may have accrued on the date of termination or expiration, (ii) the obligation of confidentiality set forth in Clause GCC 22, (iii) the Consultant's obligation to permit inspection, copying and auditing of their accounts and records set forth in Clause GCC 25 and to cooperate and assist in any inspection or investigation, and (iv) any right which a Party may have under the Applicable Law.
- d. Cessation of Services**
- 19.1.5. Upon termination of this Contract by notice of either Party to the other pursuant to Clauses GCC 19a or GCC 19b, the Consultant shall, immediately upon dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum. With respect to documents prepared by the Consultant and equipment and materials furnished by the

Client, the Consultant shall proceed as provided, respectively, by Clauses GCC 27 or GCC 28.

**e. Payment
upon
Termination**

19.1.6. Upon termination of this Contract, the Client shall make the following payments to the Consultant:

- (a) payment for Services satisfactorily performed prior to the effective date of termination; and
- (b) in the case of termination pursuant to paragraphs (d) and (e) of Clause GCC 19.1.1, reimbursement of any reasonable cost incidental to the prompt and orderly termination of this Contract, including the cost of the return travel of the Experts.

C. OBLIGATIONS OF THE CONSULTANT

20. General

**a. Standard of
Performance**

- 20.1. The Consultant shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. As required in the SCC, the Consultant shall take additional measures to manage cyber security risks related to the Contract. The Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Client, and shall at all times support and safeguard the Client's legitimate interests in any dealings with the third parties.
- 20.2. The Consultant shall employ and provide such qualified and experienced Experts and Sub-consultants as are required to carry out the Services.
- 20.3. The Consultant may subcontract part of the Services to an extent and with such Key Experts and Sub-consultants as may be approved in advance by the Client. Submission by the Consultant for the Client's approval, for addition of any Sub-consultant not named in the Contract, shall also include the Sub-consultant's declaration in accordance with Appendix F- Sexual exploitation and Abuse (SEA) and/or Sexual Harassment (SH) Performance Declaration. Notwithstanding such approval, the Consultant shall retain full responsibility for the Services.

9

**b. Law
Applicable to
Services**

- 20.4. The Consultant shall perform the Services in accordance with the Contract and the Applicable Law and shall take all practicable steps to ensure that any of its Experts and Sub-consultants, comply with the Applicable Law.
- 20.5. Throughout the execution of the Contract, the Consultant shall comply with the import of goods and services prohibitions in the Client's country when
- (a) as a matter of law or official regulations, the Borrower's country prohibits commercial relations with that country; or
 - (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Borrower's Country prohibits any import of goods from that country or any payments to any country, person, or entity in that country.
- 20.6. The Client shall notify the Consultant in writing of relevant local customs, and the Consultant shall, after such notification, respect such customs.

21. Conflict of Interest

- 21.1. The Consultant shall hold the Client's interests paramount, without any consideration for future work, and strictly avoid conflict with other assignments or their own corporate interests.

**a. Consultant
Not to Benefit
from
Commissions,
Discounts, etc.**

- 21.1.1 The payment of the Consultant pursuant to GCC F (Clauses GCC 43 through 47) shall constitute the Consultant's only payment in connection with this Contract and, subject to Clause GCC 21.1.3, the Consultant shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or in the discharge of its obligations hereunder, and the Consultant shall use its best efforts to ensure that any Sub-consultants, as well as the Experts and agents of either of them, similarly shall not receive any such additional payment.
- 21.1.2 Furthermore, if the Consultant, as part of the Services, has the responsibility of advising the Client on the procurement of goods, works or services, the Consultant shall comply with the Bank's Applicable Regulations, and shall at all times exercise such responsibility in the best interest of the Client. Any discounts or commissions obtained by the Consultant in the exercise of such procurement responsibility shall be for the account of the Client.

9

- b. **Consultant and Affiliates Not to Engage in Certain Activities** 21.1.3 The Consultant agrees that, during the term of this Contract and after its termination, the Consultant and any entity affiliated with the Consultant, as well as any Sub-consultants and any entity affiliated with such Sub-consultants, shall be disqualified from providing goods, works or non-consulting services resulting from or directly related to the Consultant's Services for the preparation or implementation of the project.
- c. **Prohibition of Conflicting Activities** 21.1.4 The Consultant shall not engage, and shall cause its Experts as well as its Sub-consultants not to engage, either directly or indirectly, in any business or professional activities that would conflict with the activities assigned to them under this Contract.
- d. **Strict Duty to Disclose Conflicting Activities** 21.1.5 The Consultant has an obligation and shall ensure that its Experts and Sub-consultants shall have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.
- 22. Confidentiality** 22.1. Except with the prior written consent of the Client, the Consultant and the Experts shall not at any time communicate to any person or entity any confidential information acquired in the course of the Services, nor shall the Consultant and the Experts make public the recommendations formulated in the course of, or as a result of, the Services.
- 23. Liability of the Consultant** 23.1. Subject to additional provisions, if any, set forth in the **SCC**, the Consultant's liability under this Contract shall be provided by the Applicable Law.
- 24. Insurance to be taken out by the Consultant** 24.1. The Consultant (i) shall take out and maintain, and shall cause any Sub-consultants to take out and maintain, at its (or the Sub-consultants', as the case may be) own cost but on terms and conditions approved by the Client, insurance against the risks, and for the coverage specified in the **SCC**, and (ii) at the Client's request, shall provide evidence to the Client showing that such insurance has been taken out and maintained and that the current premiums therefore have been paid. The Consultant shall ensure that such insurance is in place prior to commencing the Services as stated in Clause GCC 13.

**25. Accounting,
Inspection and
Auditing**

- 25.1. The Consultant shall keep, and shall make all reasonable efforts to cause its Sub-consultants to keep, accurate and systematic accounts and records in respect of the Services and in such form and detail as will clearly identify relevant time changes and costs.
- 25.2. Pursuant to paragraph 2.2 e. of Attachment 1 to the General Conditions, the Consultant shall permit and shall cause its agents (where declared or not), subcontractors, subconsultants, service providers, suppliers, and personnel, to permit, the Bank and/or persons appointed by the Bank to inspect the site and/or the accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have such accounts, records and other documents audited by auditors appointed by the Bank. The Consultant's and its Subcontractors' and subconsultants' attention is drawn to Sub-Clause 10.1 (Fraud and Corruption) which provides, inter alia, that acts intended to materially impede the exercise of the Bank's inspection and audit rights constitute a prohibited practice subject to contract termination (as well as to a determination of ineligibility pursuant to the Bank's prevailing sanctions procedures).

**26. Reporting
Obligations**

- 26.1. The Consultant shall submit to the Client the reports and documents specified in **Appendix A**, in the form, in the numbers and within the time periods set forth in the said Appendix.

**27. Proprietary Rights
of the Client in
Reports and
Records**

- 27.1. Unless otherwise indicated in the **SCC**, all reports and relevant data and information such as maps, diagrams, plans, databases, other documents and software, supporting records or material compiled or prepared by the Consultant for the Client in the course of the Services shall be confidential and become and remain the absolute property of the Client. The Consultant shall, not later than upon termination or expiration of this Contract, deliver all such documents to the Client, together with a detailed inventory thereof. The Consultant may retain a copy of such documents, data and/or software but shall not use the same for purposes unrelated to this Contract without prior written approval of the Client.
- 27.2. If license agreements are necessary or appropriate between the Consultant and third parties for purposes of development of the plans, drawings, specifications, designs, databases, other documents and software, the Consultant shall obtain the Client's prior written approval to such agreements, and the Client shall be entitled at its discretion to require recovering

9

the expenses related to the development of the program(s) concerned. Other restrictions about the future use of these documents and software, if any, shall be specified in the SCC.

**28. Equipment,
Vehicles and
Materials**

- 28.1. Equipment, vehicles and materials made available to the Consultant by the Client, or purchased by the Consultant wholly or partly with funds provided by the Client, shall be the property of the Client and shall be marked accordingly. Upon termination or expiration of this Contract, the Consultant shall make available to the Client an inventory of such equipment, vehicles and materials and shall dispose of such equipment, vehicles and materials in accordance with the Client's instructions. While in possession of such equipment, vehicles and materials, the Consultant, unless otherwise instructed by the Client in writing, shall insure them at the expense of the Client in an amount equal to their full replacement value.
- 28.2. Any equipment or materials brought by the Consultant or its Experts into the Client's country for the use either for the project or personal use shall remain the property of the Consultant or the Experts concerned, as applicable.

29. Code of Conduct

- 29.1. The Consultant shall have a Code of Conduct for the Experts. Consultant shall take all necessary measures to ensure that each Expert is made aware of the Code of Conduct including specific behaviors that are prohibited, and understands the consequences of engaging in such prohibited behaviors.
- These measures include providing instructions and documentation that can be understood by the Expert and seeking to obtain that person's signature acknowledging receipt of such instructions and/or documentation, as appropriate.
- The Consultant shall also ensure that the Code of Conduct is visibly displayed in locations where the Services are provided. The posted Code of Conduct shall be provided in languages comprehensible to the Experts and the Client's Personnel.

30. Forced Labor

- 30.1. The Consultant, including its Subconsultants, shall not employ or engage forced labor. Forced labor consists of any work or service, not voluntarily performed, that is exacted from an individual under threat of force or penalty, and includes any kind of involuntary or compulsory labor, such as indentured labor, bonded labor or similar labor-contracting arrangements.

9

No persons shall be employed or engaged who have been subject to trafficking. Trafficking in persons is defined as the recruitment, transportation, transfer, harboring or receipt of persons by means of the threat or use of force or other forms of coercion, abduction, fraud, deception, abuse of power, or of a position of vulnerability, or of the giving or receiving of payments or benefits to achieve the consent of a person having control over another person, for the purposes of exploitation.

31. Child Labor

- 31.1. The Consultant, including its Subconsultants, shall not employ or engage a child under the age of 14 unless the national law specifies a higher age (the minimum age).

The Consultant, including its Subconsultants, shall not employ or engage a child between the minimum age and the age of 18 in a manner that is likely to be hazardous, or to interfere with, the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral, or social development.

The Consultant, including its Subconsultants, shall only employ or engage children between the minimum age and the age of 18 after an appropriate risk assessment has been conducted by the Consultant with the Client's consent. The Consultant shall be subject to regular monitoring by the Client that includes monitoring of health, working conditions and hours of work.

Work considered hazardous for children is work that, by its nature or the circumstances in which it is carried out, is likely to jeopardize the health, safety, or morals of children. Such work activities prohibited for children include work:

- (a) with exposure to physical, psychological or sexual abuse;
- (b) underground, underwater, working at heights or in confined spaces;
- (c) with dangerous machinery, equipment or tools, or involving handling or transport of heavy loads;
- (d) in unhealthy environments exposing children to hazardous substances, agents, or processes, or to temperatures, noise or vibration damaging to health; or
- (e) under difficult conditions such as work for long hours, during the night or in confinement on the premises of the employer.

32. Non-Discrimination and Equal Opportunity

32.1. The Consultant shall not make decisions relating to the employment or treatment of Experts on the basis of personal characteristics unrelated to inherent job requirements. The Consultant shall base the employment of Experts on the principle of equal opportunity and fair treatment, and shall not discriminate with respect to any aspects of the employment relationship, including recruitment and hiring, compensation (including wages and benefits), working conditions and terms of employment, access to training, job assignment, promotion, termination of employment or retirement, and disciplinary practices.

Special measures of protection or assistance to remedy past discrimination or selection for a particular job based on the inherent requirements of the job shall not be deemed discrimination. The Consultant shall provide protection and assistance as necessary to ensure non-discrimination and equal opportunity, including for specific groups such as women, people with disabilities, migrant workers and children (of working age in accordance with Clause GCC 31).

33. Training of Experts

33.1. The Consultant shall provide appropriate sensitization to the Experts on social aspects of the Contract, including on prohibition of SEA and SH.

The Consultant shall provide training on SEA and SH, including its prevention, to any of its Experts who has a role to supervise other Experts.

D. CONSULTANT'S EXPERTS AND SUB-CONSULTANTS**34. Description of Key Experts**

34.1. The title, agreed job description, minimum qualification and estimated period of engagement to carry out the Services of each of the Consultant's Key Experts are described in **Appendix B**.

35. Replacement of Key Experts

35.1. Except as the Client may otherwise agree in writing, no changes shall be made in the Key Experts.

35.2. Notwithstanding the above, the substitution of Key Experts during Contract execution may be considered only based on the Consultant's written request and due to circumstances outside the reasonable control of the Consultant, including but not limited to death or medical incapacity. In such case, the Consultant shall forthwith provide as a replacement, a person of equivalent or better qualifications and experience, and at the same rate of remuneration.

36. Removal of Experts or Sub-consultants

- 36.1. If the Client finds that any of the Experts or Sub-consultant:
- (a) persists in any misconduct or lack of care;
 - (b) carries out duties incompetently or negligently;
 - (c) fails to comply with any provision of the Contract;
 - (d) based on reasonable evidence, is determined to have engaged in Fraud and Corruption during the execution of the Works; or
 - (e) undertakes behaviour which breaches the Code of Conduct; the Consultant shall, at the Client's written request, provide a replacement.
- 36.2. In the event that any of Key Experts, Non-Key Experts or Sub-consultants is found by the Client to be incompetent or incapable in discharging assigned duties, the Client, specifying the grounds therefore, may request the Consultant to provide a replacement.
- 36.3. Any replacement of the removed Experts or Sub-consultants shall possess better qualifications and experience and shall be acceptable to the Client.
- 36.4. Subject to the requirements in Sub-Clause 36.3, and notwithstanding any requirement from the Client to request a replacement, the Consultant shall take immediate action as appropriate in response to any violation of (a) through (e) above. Such immediate action shall include removing (or causing to be removed) from carrying out the Services, any Expert who engages in (a) to (e) above.
- 36.5. The Consultant shall bear all costs arising out of or incidental to any removal and/or replacement of such Experts.

E. OBLIGATIONS OF THE CLIENT**37. Assistance and Exemptions**

- 37.1. Unless otherwise specified in the SCC, the Client shall use its best efforts to:
- (a) Assist the Consultant with obtaining work permits and such other documents as shall be necessary to enable the Consultant to perform the Services.
 - (b) Assist the Consultant with promptly obtaining, for the Experts and, if appropriate, their eligible dependents, all necessary entry and exit visas, residence permits,

exchange permits and any other documents required for their stay in the Client's country while carrying out the Services under the Contract.

- (c) Facilitate prompt clearance through customs of any property required for the Services and of the personal effects of the Experts and their eligible dependents.
- (d) Issue to officials, agents and representatives of the Government all such instructions and information as may be necessary or appropriate for the prompt and effective implementation of the Services.
- (e) Assist the Consultant and the Experts and any Sub-consultants employed by the Consultant for the Services with obtaining exemption from any requirement to register or obtain any permit to practice their profession or to establish themselves either individually or as a corporate entity in the Client's country according to the applicable law in the Client's country.
- (f) Assist the Consultant, any Sub-consultants and the Experts of either of them with obtaining the privilege, pursuant to the applicable law in the Client's country, of bringing into the Client's country reasonable amounts of foreign currency for the purposes of the Services or for the personal use of the Experts and of withdrawing any such amounts as may be earned therein by the Experts in the execution of the Services.
- (g) Provide to the Consultant any such other assistance as may be specified in the SCC.

38. Access to Project Site

- 38.1. The Client warrants that the Consultant shall have, free of charge, unimpeded access to the project site in respect of which access is required for the performance of the Services. The Client will be responsible for any damage to the project site or any property thereon resulting from such access and will indemnify the Consultant and each of the experts in respect of liability for any such damage, unless such damage is caused by the willful default or negligence of the Consultant or any Sub-consultants or the Experts of either of them.

39. Change in the Applicable Law Related to Taxes and Duties

- 39.1. If, after the date of this Contract, there is any change in the applicable law in the Client's country with respect to taxes and duties which increases or decreases the cost incurred by the Consultant in performing the Services, then the remuneration and reimbursable expenses otherwise payable to the Consultant under this Contract shall be increased or

9

decreased accordingly by agreement between the Parties hereto, and corresponding adjustments shall be made to the Contract price amount specified in Clause GCC 39.1

- | | |
|--|--|
| 40. Services, Facilities and Property of the Client | 40.1. The Client shall make available to the Consultant and the Experts, for the purposes of the Services and free of any charge, the services, facilities and property described in the Terms of Reference (Appendix A) at the times and in the manner specified in said Appendix A . |
| 41. Counterpart Personnel | 41.1. The Client shall make available to the Consultant free of charge such professional and support counterpart personnel, to be nominated by the Client with the Consultant's advice, if specified in Appendix A . 41.2. Professional and support counterpart personnel, excluding Client's liaison personnel, shall work under the exclusive direction of the Consultant. If any member of the counterpart personnel fails to perform adequately any work assigned to such member by the Consultant that is consistent with the position occupied by such member, the Consultant may request the replacement of such member, and the Client shall not unreasonably refuse to act upon such request. |
| 42. Payment Obligation | 42.1. In consideration of the Services performed by the Consultant under this Contract, the Client shall make such payments to the Consultant for the deliverables specified in Appendix A and in such manner as is provided by GCC F below. |

F. PAYMENTS TO THE CONSULTANT

- | | |
|-----------------------------|---|
| 43. Contract Price | 43.1. The Contract price is fixed and is set forth in the SCC . The Contract price breakdown is provided in Appendix C . 43.2. Any change to the Contract price specified in Clause GCC 43.1 can be made only if the Parties have agreed to the revised scope of Services pursuant to Clause GCC 16 and have amended in writing the Terms of Reference in Appendix A . |
| 44. Taxes and Duties | 44.1. The Consultant, Sub-consultants and Experts are responsible for meeting any and all tax liabilities arising out of the Contract unless it is stated otherwise in the SCC . 44.2. As an exception to the above and as stated in the SCC , all local identifiable indirect taxes (itemized and finalized at Contract negotiations) are reimbursed to the Consultant or are paid by the Client on behalf of the Consultant. |

- 45. Currency of Payment** 45.1. Any payment under this Contract shall be made in the currency (ies) of the Contract.
- 46. Mode of Billing and Payment** 46.1. The total payments under this Contract shall not exceed the Contract price set forth in Clause GCC 43.1.
- 46.2. The payments under this Contract shall be made in lump-sum instalments against deliverables specified in **Appendix A**. The payments will be made according to the payment schedule stated in the **SCC**.
- 46.2.1 Advance payment: Unless otherwise indicated in the **SCC**, an advance payment shall be made against an advance payment bank guarantee acceptable to the Client in an amount (or amounts) and in a currency (or currencies) specified in the **SCC**. Such guarantee (i) is to remain effective until the advance payment has been fully set off, and (ii) is to be in the form set forth in **Appendix D**, or in such other form as the Client shall have approved in writing. The advance payments will be set off by the Client in equal portions against the lump-sum installments specified in the **SCC** until said advance payments have been fully set off.
- 46.2.2 The Lump-Sum Installment Payments. The Client shall pay the Consultant within sixty (60) days after the receipt by the Client of the deliverable(s) and the cover invoice for the related lump-sum installment payment. The payment can be withheld if the Client does not approve the submitted deliverable(s) as satisfactory in which case the Client shall provide comments to the Consultant within the same sixty (60) days period. The Consultant shall thereupon promptly make any necessary corrections, and thereafter the foregoing process shall be repeated.
- 46.2.3 The Final Payment. The final payment under this Clause shall be made only after the final report have been submitted by the Consultant and approved as satisfactory by the Client. The Services shall then be deemed completed and finally accepted by the Client. The last lump-sum installment shall be deemed approved for payment by the Client within ninety (90) calendar days after receipt of the final report by the Client unless the Client, within such ninety (90) calendar day period, gives written notice to the Consultant specifying in detail deficiencies in the Services, the final report. The Consultant shall thereupon promptly make any necessary corrections, and thereafter the foregoing process shall be repeated.
- 46.2.4 All payments under this Contract shall be made to the accounts of the Consultant specified in the **SCC**.

46.2.5 With the exception of the final payment under 46.2.3 above, payments do not constitute acceptance of the whole Services nor relieve the Consultant of any obligations hereunder.

- 47. Interest on Delayed Payments** 47.1. If the Client had delayed payments beyond fifteen (15) days after the due date stated in Clause GCC 46.2.2, interest shall be paid to the Consultant on any amount due by, not paid on, such due date for each day of delay at the annual rate stated in the SCC.

G. FAIRNESS AND GOOD FAITH

- 48. Good Faith** 48.1. The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

H. SETTLEMENT OF DISPUTES

- 49. Amicable Settlement** 49.1. The Parties shall seek to resolve any dispute amicably by mutual consultation.
- 49.2. If either Party objects to any action or inaction of the other Party, the objecting Party may file a written Notice of Dispute to the other Party providing in detail the basis of the dispute. The Party receiving the Notice of Dispute will consider it and respond in writing within fourteen (14) days after receipt. If that Party fails to respond within fourteen (14) days, or the dispute cannot be amicably settled within fourteen (14) days following the response of that Party, Clause GCC 50.1 shall apply.
- 50. Dispute Resolution** 50.1. Any dispute between the Parties arising under or related to this Contract that cannot be settled amicably may be referred to by either Party to the adjudication/arbitration in accordance with the provisions specified in the SCC.

II. General Conditions
Attachment 1
Fraud and Corruption
(Text in this Attachment shall not be modified)

1. Purpose

- 1.1 The Bank's Anti-Corruption Guidelines and this annex apply with respect to procurement under Bank Investment Project Financing operations.

2. Requirements

- 2.1 The Bank requires that Borrowers (including beneficiaries of Bank financing); bidders (applicants/proposers), consultants, contractors and suppliers; any sub-contractors, sub-consultants, service providers or suppliers; any agents (whether declared or not); and any of their personnel, observe the highest standard of ethics during the procurement process, selection and contract execution of Bank-financed contracts, and refrain from Fraud and Corruption.

- 2.2 To this end, the Bank:

- a. Defines, for the purposes of this provision, the terms set forth below as follows:

- i. "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- ii. "fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
- iii. "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- iv. "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- v. "obstructive practice" is:

- (a) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
- (b) acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under paragraph 2.2 e. below.

- b. Rejects a proposal for award if the Bank determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
- c. In addition to the legal remedies set out in the relevant Legal Agreement, may take other appropriate actions, including declaring misprocurement, if the Bank determines at any time that representatives of the Borrower or of a recipient of any part of the proceeds of the loan engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the procurement process, selection and/or execution of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the Bank to address such practices when they occur, including by failing to inform the Bank in a timely manner at the time they knew of the practices;
- d. Pursuant to the Bank's Anti- Corruption Guidelines and in accordance with the Bank's prevailing sanctions policies and procedures, may sanction a firm or individual, either indefinitely or for a stated period of time, including by publicly declaring such firm or individual ineligible (i) to be awarded or otherwise benefit from a Bank-financed contract, financially or in any other manner;¹ (ii) to be a nominated² sub-contractor, consultant, manufacturer or supplier, or service provider of an otherwise eligible firm being awarded a Bank-financed contract; and (iii) to receive the proceeds of any loan made by the Bank or otherwise to participate further in the preparation or implementation of any Bank-financed project;
- e. Requires that a clause be included in bidding/request for proposals documents and in contracts financed by a Bank loan, requiring (i) bidders (applicants/proposers), consultants, contractors, and suppliers, and their sub-contractors, sub-consultants, service providers, suppliers, agents, personnel, permit the Bank to inspect³ all accounts, records and other documents relating to the procurement process, selection and/or contract execution,, and to have them audited by auditors appointed by the Bank.

¹ For the avoidance of doubt, a sanctioned party's ineligibility to be awarded a contract shall include, without limitation, (i) applying for pre-qualification, expressing interest in a consultancy, and bidding, either directly or as a nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider, in respect of such contract, and (ii) entering into an addendum or amendment introducing a material modification to any existing contract.

² A nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider (different names are used depending on the particular bidding document) is one which has been: (i) included by the bidder in its pre-qualification application or bid because it brings specific and critical experience and know-how that allow the bidder to meet the qualification requirements for the particular bid; or (ii) appointed by the Borrower.

³ Inspections in this context usually are investigative (i.e., forensic) in nature. They involve fact-finding activities undertaken by the Bank or persons appointed by the Bank to address specific matters related to investigations/audits, such as evaluating the veracity of an allegation of possible Fraud and Corruption, through the appropriate mechanisms. Such activity includes but is not limited to: accessing and examining a firm's or individual's financial records and information, and making copies thereof as relevant; accessing and examining any other documents, data and information (whether in hard copy or electronic format) deemed relevant for the investigation/audit, and making copies thereof as relevant; interviewing staff and other relevant individuals; performing physical inspections and site visits; and obtaining third party verification of information.

² Insert the expected expiration date. In the event of an extension of the time for completion of the Contract, the Client would need to request an extension of this guarantee from the Guarantor. Such request must be in writing and must be made prior to the expiration date established in the guarantee. In preparing this guarantee, the Client might consider adding the following text to the form, at the end of the penultimate paragraph: "The Guarantor agrees to a one-time extension of this guarantee for a period not to exceed [six months][one year], in response to the Client's written request for such extension, such request to be presented to the Guarantor before the expiry of the guarantee."

3. Reason/s why your Proposal was unsuccessful [*Delete if the combined score already reveals the reason*]

[INSTRUCTIONS; State the reason/s why this Consultant's Proposal was unsuccessful. Do NOT include: (a) a point by point comparison with another Consultant's Proposal or (b) information that is marked confidential by the Consultant in its Proposal.]

4. How to request a debriefing [*This applies only if your proposal was unsuccessful as stated under point (3) above*]

DEADLINE: The deadline to request a debriefing expires at midnight on *[insert date]* (local time).

You may request a debriefing in relation to the results of the evaluation of your Proposal. If you decide to request a debriefing your written request must be made within three (3) Business Days of receipt of this Notification of Intention to Award.

Provide the contract name, reference number, name of the Consultant, contact details; and address the request for debriefing as follows:

Attention: *[insert full name of person, if applicable]*

Title/position: *[insert title/position]*

Agency: *[insert name of Client]*

Email address: *[insert email address]*

Fax number: *[insert fax number] delete if not used*

If your request for a debriefing is received within the 3 Business Days deadline, we will provide the debriefing within five (5) Business Days of receipt of your request. If we are unable to provide the debriefing within this period, the Standstill Period shall be extended by five (5) Business Days after the date that the debriefing is provided. If this happens, we will notify you and confirm the date that the extended Standstill Period will end.

The debriefing may be in writing, by phone, video conference call or in person. We shall promptly advise you in writing how the debriefing will take place and confirm the date and time.

If the deadline to request a debriefing has expired, you may still request a debriefing. In this case, we will provide the debriefing as soon as practicable, and normally no later than fifteen (15) Business Days from the date of publication of the Contract Award Notice.

5. How to make a complaint

DEADLINE: The deadline for submitting a Procurement-related Complaint challenging the decision to award the contract expires on midnight, *[insert date]* (local time).

2

Provide the contract name, reference number, name of the Consultant, contact details; and address the Procurement-related Complaint as follows:

Attention: *[insert full name of person, if applicable]*

Title/position: *[insert title/position]*

Agency: *[insert name of Client]*

Email address: *[insert email address]*

Fax number: *[insert fax number] delete if not used*

[At this point in the procurement process] [Upon receipt of this notification] you may submit a Procurement-related Complaint challenging the decision to award the contract. You do not need to have requested, or received, a debriefing before making this complaint. Your complaint must be submitted within the Standstill Period and received by us before the Standstill Period ends.

Further information:

For more information see the “Procurement Regulations for IPF Borrowers (Procurement Regulations) (Annex III).” You should read these provisions before preparing and submitting your complaint. In addition, the World Bank’s Guidance “How to make a Procurement-related Complaint” provides a useful explanation of the process, as well as a sample letter of complaint.

In summary, there are four essential requirements:

1. You must be an ‘interested party’. In this case, that means a Consultant who has submitted a Proposal in this selection process, and is the recipient of a Notification of Intention to Award.
2. The complaint can only challenge the decision to award the contract.
3. You must submit the complaint within the deadline stated above.
4. You must include, in your complaint, all of the information required by the Procurement Regulations (as described in Annex III).

6. Standstill Period

DEADLINE: The Standstill Period is due to end at midnight on *[insert date]* (local time).

The Standstill Period lasts ten (10) Business Days after the date of transmission of this Notification of Intention to Award.

The Standstill Period may be extended. This may happen where we are unable to provide a debriefing within the five (5) Business Day deadline. If this happens, we will notify you of the extension.

If you have any questions regarding this Notification, please do not hesitate to contact us.
